Number of students enrolled in the value-added courses during the year 2021-22

As per the directions of the institutional curriculum committee, 17 value-added courses were conducted by all the departments, with enrollment of 501 students. Each department identifies topics and organizes these courses to bridge the gap between the curriculum and the requirements of the clinical practice. The following document includes the list of value-added courses offered, number of participants, the list of participants for each course and sample of e- certificate of attendance given to the participants.
