## Summary

Library is an integral part of the College which offers quiet place to study as well as easy access to innumerable e-resources. Students and faculty utilise library services to research their topics for papers, thesis, books, journals, etc. College library provides authentic, up to date and revised data. They can utilize other resources such as scholarly articles from science, history, legal or other professional journals, newspaper archives, open-access journals, Dental research, globally-collected post-graduate theses and dissertations, journal indexing and abstracts, government publications, electronic books etc available free from the library. They are given access to library through user friendly LMS system to go through e-resources at any point of time.

### **HELINET Consortium:**

RGUHS conceived and established HELINET with a vision to improve the quality of education and research in the colleges affiliated to it by providing enhanced access to high quality dental literature. It has designed and developed scholarly international e-journals, e-books and databases and a resource sharing model to meet the needs of academic and research community of health science disciplines in Karnataka. All students and staff can access e-Journals and e-books through the web link of Digital Library of RGUHS subscribed through College.

Library hosts all the previously held university external examination question papers and current syllabus on the library portal with the help of **“todcl.blogspot.com** so that the Students access them from anywhere and download.
