The Student council of our Institution aims to inspire and motivate the budding aspirants to reach the unreached for the betterment of the community. Students are given as many opportunities as possible to practically implement what they learn and aspire to be through the Council. Student Council has representatives from all levels of students in the college so that all facets are acknowledged and looked into. It is collectively responsible for activities like management of Hostels, academic concerns of students, organizing the cultural and sports activities on campus and many more. The Student council mainly helps share students, ideas, interests and concerns with teachers and principals. It serves to encourage the student in learning about leadership. Student forum is very active in protecting the student welfare including academic and administrative activities. To ensure that the institution is addressing the needs and expectations, the students are encouraged to participate in the governance through the following systems in place Teaching-learning – Feedback on faculty performance, curriculum, program outcomes, infrastructure facilities, placements, and learning resources.

In 2021-22, the council actively participated in Funfest, MDS inauguration, cultural week, college day, Ethnic day and also discussed the curriculum and results with the respective committees.

This document contains the minutes of meeting of the student council committee with the student representatives.
