Achievements Which Led to Institutional Excellence

The Vision and Mission of the College enable the quality of education and service to humanity and also provide holistic approach of healthcare for the society.

- The Oxford Dental College and Hospital was established in 1992 under the aegis of the children's education society by the founder, late Shri. S. Narasa Raju Garu. The present Chairman is Shri. Ramesh Raju Garu. He is a great philanthropist and an active social worker who has made immense contribution in the field of education. Under his guidance, our college has been successfully created into a holistic learning atmosphere for students. He is a man of many awards. He was honored with "MODEL EMPLOYER" award by the Union Minister of State for Labour & Employment. He was also Honored with "The Guardians of Education" award by The Hindu Group in The Doyens- Guardians of Knowledge.
- The College campus is located in Bommanahalli, Bangalore. The College is set in a serene environment with lush greenery and fresh air. The college enjoys the rare distinction of being one of the most sought after and best equipped dental college in India and Asia. It is housed in spacious 8- storey integrated complex with a floor space of 2,85,000sqft which incorporates complete facilities for preclinical and clinical training. It is the hub of technological advances of modern day India, which also has a terminal to Metro, facilitating an easy access to the college by the patients, staff and students.
- With regard to the admissions, initially the Oxford Dental College had an intake of 40 students in BDS later it increased to 100 students every year. Admission of BDS students are by NEET ,CET and NRI quota.
- MDS course was introduced in the year 2003 with 38 seats, later it increased to 60 seats every year. 60 Post graduates in different branches are enrolled every year.
- The course has constantly been strengthened by increasing the intake from time to time which reflects one aspect of the progress and development of the college. The College now also offers - PHD programs.

M. Akila
Principal, KPR Institute of Engineering and Technology

Fusion of conventional and online learning requires a careful technology selection and a proactive approach in teaching-learning. Regular classes and placement training for the third- and fourth-year students are done online and we will complete the odd semester successfully in November 2021 and the even semester in June 2022.

2021/8/7 11:25
