

## E- Governance Architecture:

The Institution has clearly stated Vision and Mission which are reflected in its academic and administrative governance

- **Vision Mission impart Quality**
- **Decentralisation**
- **Governing Council**

**BOM**

**Chairman**

**Members of trust**

**Long term plans**

Management provides all **necessary support systems** and enable **stakeholders to achieve Mission and Vision** of College.

- Dean IQAC Chairman
  - Prepares SPP
- IQAC coordinators & HOD
  - Monitors academic & other activity
- Committee Heads
  - Initiates activity conducting programs

**IQAC executes and monitors 5 important components, viz.**

- (a) Academics
- (b) Administration
- (c) Examinations
- (d) Human Resources, and
- (e) Research

IQAC is assisted by **7 Criteria Heads** as the coordinators at institutional level

Coordinators along-with other **Committees** ensure smooth conduct of the day-to-day affairs of the college

College has a structured system to get **feedback from all stake holders**, Helps in formulating strategies for identifying organizational needs and plan activities to achieve institutional excellence.

**Following are some of important committees.**

- Curricular, co-curricular activities and time table committees.
- Annual calendar of events & annual reports and magazine.
- Internal assessment –result analysis, slow and advance learners, mentor-mentee and parent meeting
- Student and staff grievance redressal.
- Institutional ethics committee and research development.
- MoUs, linkages and collaboration
- Extension, NSS, NCC and ISR activities
