#### **MINUTES OF THE MEETING**

Agenda of the meeting is

- to report all publications available in the department
- to encourage publications among staff and students

The committee meeting was held 16<sup>th</sup> July 2021 at 10:00 am. All the committee members were present in the meeting .

The chairman welcomed all the committee members and discussed the agenda

The chairman started with enquiring about the quality and quantity of the research going on currently in each department.

He emphasized on the fact that unbiased quality research was the need of the hour. He then spoke about importance of publication. He said that publications bring recognition among his peers as well as a person accentuate his academic career.

Dr shivabasavalah briefed all members about the college journal and encouraged all staff members and student to contribute

Dr.siddaramu commented that there were few International publications and so emphasis should be given on that

The chairman also suggested that a workshop be held to introduce and given an overview of research methodology to students.

The IQAC committee discussed and decided to take necessary action plan for the feedback given by all the stakeholders.

The SSP was approved and the ATR from all the departments received.
