We believe in unity in diversity. Not only do our students belong to different religions, languages and cultures but they respect the same. The college is their second home and all students & staff celebrate different festivals with joy and enthusiasm which encourages social and religious harmony. Every year it is a customary in our college to celebrate Freshers Day. The main motive of this day is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors bond and unite to celebrate being part of the college. Be it the annual College Day, Convocation ceremony or National Holidays like Republic Day, Independence Day & Gandhi Jayanti, World cancer Day, Anti-ragging awareness, Sports Day, religious celebrations like Holi, Diwali, Eid, Christmas, Onam etc; Teachers' Day or International Woman's Day; The Oxford Dental College has always been at the forefront of sensitising students to the cultural, regional, linguistic and socioeconomic diversities of the state and the nation. The Oxford Dental College reaches out to the community for providing better oral health care by organising camps
