The Oxford Dental College provides annual calendar to all the students which comprises of the time table for the 3 internal assessments, parent teacher meetings and all other important details pertaining to the university examinations.

The circular for the internal assessment examinations is prepared and circulated among the students one month before the start of each internal exam. The internal exams are conducted as per the schedule with the strict protocols and the results are announced and put up on the notice board. The students are provided with Grievance forms in case they have and grievances in terms of retotalling or re-evaluation for maintaining the overall transparency. The results of the 1st internal assessment examination allows us to identify slow learners versus advanced performers. The slow learners are counselled by the mentors in order to identify their performance related issues. The advanced performers are encouraged to participate in paper presentation, attending conferences and CDE programmes etc. The culture of mentor mentee program is the highlight of our college in the process of addressing the slow learners and promoting the advanced performers.

The parents are informed regarding the 1st internal assessment performance through mail and WhatsApp by the respective mentors. The 2nd and 3rd internal assessments are also conducted as per the schedule and the results are analysed.

The slow learners are given a chance to write the makeup assignment after the faculty have taken additional classes for them.

The entire process which is followed systematically allows us to prepare the students thoroughly for the university exams and it is reflecting in the performance of the students.
