Advanced Learners		Slow Performers

- **GUIDELINES:**

- As per the calendar of events the dates for the internal assessments will be intimated to the students at the beginning of the academic year
- Each mentee will be allotted a mentor
- Each mentor will have interactive sessions with their respective mentees after every internal assessment exam
- Based on the interactive sessions/internal assessment between the mentor and mentee, the students will be categorised as slow and advanced learners
- Slow performers will be given open book tests, re-test, quiz will be conducted, calendars, posters, etc and personal counselling will be done
- Advanced learners will be given model preparations, motivated to attend conferences, CDE programs, paper presentations, poster presentations, essay competition, quiz etc.
- After the first and second internal assessment there will be an interactive session between the mentor and mentee to review the progress.
- The attendance of parents for the third interactive session is ESSENTIAL. In case of prior commitments parents who cannot make it for the same will be communicated through mail/message/phone call.
- The progress of the mentee will be intimated to the parents via Phone call/ message/ e-mail by their respective mentors.

- **GUIDELINES:**

- As per the calendar of events the dates for the internal assessments will be intimated to the students at the beginning of the academic year
- Each mentee will be allotted a mentor
- Each mentor will have interactive sessions with their respective mentees after every internal assessment exam
- Based on the interactive sessions/internal assessment between the mentor and mentee, the students will be categorised as slow and advanced learners
- Slow performers will be given open book tests, re-test, quiz will be conducted, calendars, posters, etc and personal counselling will be done
- Advanced learners will be given model preparations, motivated to attend conferences, CDE programs, paper presentations, poster presentations, essay competition, quiz etc.
- After the first and second internal assessment there will be an interactive session between the mentor and mentee to review the progress.
- The attendance of parents for the third interactive session is ESSENTIAL. In case of prior commitments parents who cannot make it for the same will be communicated through mail/message/phone call.
- The progress of the mentee will be intimated to the parents via Phone call/ message/ e-mail by their respective mentors.

- **GUIDELINES:**

- As per the calendar of events the dates for the internal assessments will be intimated to the students at the beginning of the academic year
- Each mentee will be allotted a mentor
- Each mentor will have interactive sessions with their respective mentees after every internal assessment exam
- Based on the interactive sessions/internal assessment between the mentor and mentee, the students will be categorised as slow and advanced learners
- Slow performers will be given open book tests, re-test, quiz will be conducted, calendars, posters, etc and personal counselling will be done
- Advanced learners will be given model preparations, motivated to attend conferences, CDE programs, paper presentations, poster presentations, essay competition, quiz etc.
- After the first and second internal assessment there will be an interactive session between the mentor and mentee to review the progress.
- The attendance of parents for the third interactive session is ESSENTIAL. In case of prior commitments parents who cannot make it for the same will be communicated through mail/message/phone call.
- The progress of the mentee will be intimated to the parents via Phone call/ message/ e-mail by their respective mentors.
