**Summary: -**

Vision and Mission impart quality education that will imbibe, commitment, confidence, conviction, courtesy and courage in students and provide them with values, knowledge and skills to treat dental disease. To become an institute of excellence in dental education and to bring out quality dental practitioners who will be an asset to the society.

The college has introduced the principle of decentralization and participative management since inception and has an effective governing structure. At the apex level it has a **Board of Management**, consisting of the Chairman, CEO / Director and other members of the trust. It reviews the functioning of the college in all its quality parameters through the Governing Council. It is also responsible to cater to the needs and overall development of the college.

The Principal is the Chairman of IQAR, Head of the department, postgraduate and all staff have implemented Vision and Mission components of the Institution and departments. He monitors academic and other activities and ensures overall quality and academic excellence of the institution as per the rules and laid down by Regulatory bodies and the guidelines of management. IQAC and head of departments, PG committees, UG committees, student welfare committee initiate the activities starting from deciding the work plan, activities related to syllabus, identifying and conducting various certificate courses, life skills Programmes etc. Suggestions from the faculty are solicited for further improvement.

The Principal is ably assisted by Vice-Principal and together, they execute and monitor five important components, viz.

- a. Academics
- b. Administration
- c. Examinations
- d. Research

The IQAC is assisted by seven Criteria heads as the coordinators at the institutional level. The coordinators along-with other Committees ensure smooth conduct of the day-to-day affairs of the college. For instance, the Anti-ragging committee inspires senior students to maintain friendly behavior with the juniors' sans ragging activities and ensure cohesive harmony in the campus. Similarly, the Sports Committee takes ensures active participation of more number of students in all the sports activities. Different Committees are formed depending upon the exigencies of the institution.

The College administrative system is decentralized with the active participation of all members and ensures dissemination of information at all levels of the hierarchy. This is made possible as the roles and responsibilities of the members of the Committees are well defined. The members are provided with the necessary inputs.

The Management assigns the work to each Committee, identifies the hurdles in implementation and provides the necessary resources to accomplish the assigned tasks. The team members Cooperate and coordinate effectively. Each committee adheres to a set procedure and functions within the parameters of the policies, rules and regulations of the institute.
