**Circulars for the implementation of the green campus initiatives**

**Date: 15-7-2020**

**Notice**

All Students and faculties are advised to use college/RTC buses only while attending college. If at all they wish to come by their own vehicles, they are instructed to follow the below mentioned instruction:

1. Students have to attain a vehicle pass from the dean after submitting their parents' signed declaration.
2. Parking is allowed only at designated areas. It is strictly prohibited to park on main roads, driveways, sidewalks, path walks and loading zones.
3. Leaving the engine on while parked is strictly prohibited. Save gas and save the earth. The college promotes a clean and green environment; fumes coming from vehicle would be harmful to health.
4. Overnight parking is strictly prohibited. Cars may be allowed to park overnight at designated overnight parking areas, only in cases of emergency and official school functions. The College is not responsible for any loss or damage to vehicles parked overnight inside its premises.
5. Cars must be parked properly and may not occupy two parking slots. Parking in any manner which obstructs the free flow of vehicles is prohibited. Make sure your car is always within the space allotted for one car.
6. Parking in reserved parking areas is not allowed.
7. Leaving your vehicle unlocked while parked is not allowed. The College is not responsible for any loss and damage to property inside the vehicle parked within the campus.

All students are instructed to follow the instructions carefully and co-operate with this regard.

**Date: 10-9-2020**

**Notice**

It is observed that lights, fans are not switched off either by students/faculties/attenders at the time of leaving the classroom/lab because of which huge consumption of electricity and wastage of valuable resource.

All students /attenders are advised to switch off lights and fans before leaving the classrooms/labs.

It is also seen that in some places the drinking water / toilet taps are not properly closed due to which water is let off to go, water tanks are getting empties sooner. Hence make sure to turn the taps off to save water.

**Report on the programme organized on 'Swachh Bharat'.**

**"Cleanliness is next to Godliness."**

It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results.

In this regards the department of Periodontology had organized Swachh Bharat to educate and motivate the students regarding the importance of this day.

**Team:** Our team consisted of a faculty member and sixteen dentists perusing post-graduation in the Department of Periodontology, The Oxford Dental College, Bangalore.

**Date and time of the visit:** On 12<sup>th</sup> September, 2018 at 11.00 AM.

**Location:** Hongasandra, Bommanahalli.

**Target Population:** UG & PG students who are studying in The Oxford Dental College

**Brief Summary:**

The Department of Periodontology celebrated this day today in our college by organizing Swachh Bharath Campaign. Thanks to our HOD for his constant support and guidance the campaign was successfully completed.

**The Department of Periodontology had organized following the programs: -**

It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. Dental students have organised rally to promote Swachh Bharat mission. Mass awareness created with Various slogan: "Ham Sab Ka Aek Nara- Saaf Sutra Des Hamara, Sathi Re Hath Batana- Gandki Ko He Dur Bhagana, Apni Mitti Apna Des- Swachh Bharat Swasth Bharat...etc. Students have encouraged community people to join in the Swachhta activity. They have participated in Shramadan activity and shown their willingness and interest to keep surrounding clean

We the staff and students from Department of Public Health Dentistry participated in Swachh Pakhwada campaign at Primary Health Centre, Banashankari.

We started at 8:00 Am in the morning from the college campus and reached the venue by 9:00 am. They provided breakfast followed by inaugural function.

We have participated in the campaign and advocated the benefits of keeping hospital premises clean which will be effective in preventing the nosocomial infections.

We wined the camp after having lunch by 4 pm

**Title: Environmental awareness programme- Fire drill**

**Objective:** To create awareness & giving students & faculty an opportunity to practice fire emergency procedures in a simulated but safe environment. Determining if they understand and can carry out emergency duties.

**Date:** 9/10/2020

**Time:** 10:00 AM to 02:00 PM

**Location:** Oxford College campus

**Organized by:** NSS wing of The Oxford Dental College in collaboration with Fire Safety services, Karnataka & Dept. of Public Health Dentistry, The Oxford Dental College.

**Audience:** Faculty, Under graduate & Post graduate students, non-teaching staff of the Oxford Dental College

**Method adopted:** Demonstration of fire drill.

**Description:** NSS wing in collaboration with The Department of Public Health Dentistry & Department of Fire Safety services, Karnataka state organized a live demonstration regarding the safety measures to be observed in case of fire accidents as a part of environmental awareness programme. A team from the Fire safety services arrived in the college at around 10:00 AM. They were given a welcome speech by one of the faculty of the Department of public health dentistry then they were addressed by the Dean and Director of the college. All the students, staffs and non-teaching staff of The Oxford Dental college gathered in the college campus to witness the fire demonstration. The team from Fire safety services carried out live fire demonstration and mock drill. Mock exercises on various types of natural hazards helped in inculcating a culture of preparedness and generate awareness. This greatly helped in creating awareness to deal in any case of emergency. It may be ensured to conduct demonstrations at periodic intervals so that all the people of the institution are familiarized with the usage /working of Fire Extinguishers, Hose Reel, Wet riser, Fire alarm System (manual and automatic)
