Report on the Programme Organized On 'Save The Girl Child'.

Agenda of The Programme:

The struggle of a girl child begins, even before the day she is conceived. In India, female foeticide is a worrying practice, as cheap abortion technology allows households to exercise their preference for sons over daughters. She is "lucky" if she is allowed to be born.

Even after birth, the girl child faces discrimination and oppression. She is not provided with proper nutrition compared to male siblings, her education is not given much importance and, in many cases, parents prefer their sons continue schooling, and want their daughters to stay home and do household work.

After marriage, the trials faced by women do not do not end as she continues to face oppression and even violence in her marital home.

The government is also concerned with declining child sex ratio and in 2015 it launched "Beti Bachao Beti Padhao" scheme to create awareness on the need to protect the girl child and focus on their education.

In this regards the department of Periodontology had organized SAVE THE GIRL CHILD to educate and motivate the patients regarding the importance of this day.

Team: Our team consisted of a faculty member and eight dentists perusing post-graduation in the Department of Periodontology, The Oxford Dental College, Bangalore.

Date and Time of The Visit: On 16th March 2017 at 11.00 am

Location: The Oxford Dental College, Bommanahalli.

Target Population: The patients who came for Treatment in The Oxford Dental College

Brief Summary: The Department of Periodontology celebrated this day today in our college by organizing Save the girl child for all the patients visiting our institute. Thanks to our HOD for his constant support and guidance the campaign was successfully completed.

By empowering our daughters, we empower their community which means empowering the nation. We must start making significant steps in the following directions:

- Spread awareness and change mindsets to ensure that communities and families welcome and celebrate daughters.
- Education for all girl children.
- Create a safe environment for all women and support women's resistance to violence.
- Mobilize society, private enterprise and the government to recognize and celebrate women in the world of work.
- Recognize, redistribute and reduce care work.
- Ensure decent work, fair and equal wages for a safe working environment for women.
- Ensure that women have access to the property, including house and land.

Report on The Programme Organized On 'Blood Donation'.

We the staff and students from Department of Public Health Dentistry organised the blood donation drive at Oxford Dental College auditorium.

Blood donation drive has started with the inaugural function. Guest lecture has been delivered to the faculty and students regarding the importance of donating blood. We had 150 people who were interested to donate blood but only 74 people were eligible for donating blood.

The donors after the blood donation were given refreshments and biscuits and a certificate of appreciation. The donors were also instructed to rest for 30 minutes before leaving the premises.

Session started at 10:00 am and wended the camp by 2:30 pm

Pulse Polio Immunization

CHILDREN'S EDUCATION SOCIETY (Regu.)

THE OXFORD DENTAL COLLEGE

(Recognized by the Govt. of Karnataka, Affiliated to Rajiv Gandhi University of Health Sciences,
Karnataka & Recognised by Dental Council of India, New Delhi)

Bommanahalli, Hosur Road, Bangalore - 560 068.

Ph: 080-61754680 Fax: 080 - 61754693E-mail:deandirectortodc@gmail.com

Website: www.theoxford.edu

Agenda of The Programme: The Pulse Polio Initiative was started with an objective of achieving hundred per cent coverage under Oral Polio Vaccine. It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public.

Team: Our team consisted of a faculty member and six dentists perusing post-graduation in the Department of Public Health Dentistry, The Oxford Dental College, Bangalore.

Date and Time of The Visit: On 28th of January, 2018 at 8:00 am

Location: Booth No. 1, Government Primary Healthcare Center, Banashankari, Bangalore.

Target Population: Around 256 children in the age group of 0-5 years were administered polio drops.

Brief Summary: India launched the Pulse Polio immunization programme in 1995, after a resolution for a global initiative of polio eradication was adopted by the World Health Assembly (WHA) in 1988.

The Department members had identified high-risk areas a day before the immunization programme, which included slums, brick kilns, construction areas, migrant workers and areas with poor road connectivity in the district.

Children immunized recently under the routine schedule and the newborns were given 2 drops of oral polio vaccine. To identify the missed-out children, marking was done for all vaccinated children on the left little finger.

Thanks to the successful implementation of the pulse polio immunization campaigns.

Participation in Extension Activities

Activity Report

Title: Swachh Bharat

Objective: To create awareness among students and faculties of The Oxford Dental College

Date: 03.10.2017

Time: 10:00 am to 02:00 pm

Location: Seminar hall

Organized by: Department of conservative dentistry and endodontics

Audience: Students, Staff, Patients and General public

Speaker: Dr. Sirekha

Method adopted: Lecture/Demonstration /Collage

Materials used: PowerPoint presentation, Pamphlets, flyers, banners, models

Description: Dr Lekha gave awareness lecture on Swachh Bharat activity. The main purpose of this activity was to create awareness about cleanliness and their benefits among the students. She explained about Swachh Bharat Abhiyan campaign conducted by the government of India. She also explained the importance of sanitation and health problems associated with improper sanitation that most of Indian population deal with. She spoke about awareness on hygiene. She also honoured the workers of the college for their noble job. At the end of the activity, all the students and staff took oath of following waste management practices as a part of keeping our college, locality and city clean. It was a unique experience for everyone.

Title of the Cultural Program: Rajyotsava

Date: 16th November 2018

Time: 10:00 am-1:00 pm

Venue: The Oxford Dental College Auditorium

Organized by: The Oxford Dental College

Chief Guest: Actor Mukhyamantri Chandru

Description: Kannada Rajyotsava is Karnataka's state festival and is celebrated with great pomp and splendour. The festivities at TODC begin with flag hoisting ceremony by noted Kannada actor and politician Mr. Mukhyamantri Chandru with inauguration and lamp lighting. Classical performances both singing and dancing were performed by the students. The themes involved all the traditional dance forms of Karnataka and the local culture. Fashion show was conducted which reflected on the local state traditions.

Participation in Extension Activities

Activity Report

Title: Talk on Covid 19

Objective: To create awareness among students and faculties of The Oxford Dental College

Date: 14.10.2019

Time: 10:00 am to 02:00 pm

Location: Seminar hall

Organized by: Department of Conservative Dentistry and Endodontics

Audience: Students, Staff, Patients and General public

Speaker: Dr Sreirekha

Method adopted: Lecture/Demonstration /Collage

Materials used: PowerPoint presentation, Pamphlets, flyers, banners, models

Description: Dr Lekha gave awareness lecture on "Talk on Covid 19" activity. The main purpose of this activity was to create awareness about covid 19 and informed that most of the people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people and people with underlying medical problems like cardiovascular diseases, diabetes, chronic respiratory disease and cancer are more likely to develop serious illness. They explained about covid 19 virus, the disease it causes and how it spreads. They also explained how to protect one self and others from infection by washing hands and using alcohol-based rub frequently and not touching face. At the end of the activity, all the staff and students took an oath of wearing mask and maintaining social distancing. It was a unique experience for everyone.

Participation in Extension Activities Activity Report

Title: Education for women through skit: "Women empowerment"

Objective: To create awareness among rural women the importance of being empowered. To improve their communication skills with other women in the society. It encourages them to develop their own identity.

Date: 15/2/21

Time: 11:30 am -1:00 pm

Location: Government higher primary school, Jigala

Organized by: Our team consisted of a faculty member and four dentists perusing post-graduation in the Department of Public Health Dentistry.

Audience: Around 20 women in the age group of 20-45 years and 10 children aged 10-17 years.

Speaker: Dr. M. Vinod Kumar, PG Student.

Method adopted: Skit.

Materials used: Mike, Props, pamphlets, banner, back drop and pictures.

Description: It provokes rural women to take action on the social problems. It also motivates them to accept challenges faced only by rural women. It also stresses on the importance of education of girl child. Support personal development, social responsibility and a sense of self-worth for the socially weaker women.

Report of Program conducted on 04th March 2021

Workshop on Life Skills “CRITICAL THINKING FOR ACADEMIC RESEARCH” was organised by ALUMNI committee in association with Department of Public Health Dentistry on 04th March 2021. The participants included were 1st year MDS students of all the dental specialities and Teaching Faculty.

The resource person was Dr. Sushu Kadanakuppe, MDS, PhD,(Alumni of The Oxford Dental College)Department of SPublic Health Dentistry, VS Dental College who is an expert in field of Critical Thinking and Life skills.

The workshop was very interactive and informative which helped the MDS students clarify most of their doubts.
