Summary:

Mechanism to deal with examination related grievances is transparent, time bound and efficient.

Internal Assessment grievance redressal

The Oxford Dental College provides holistic atmosphere for the students to excel in all the fields and the internal assessment exams are no exception to it. During the orientation course the students are provided with the Academic Calendar with the mention of all the dates for the conduct of the internal assessment exams which is aimed at preparing the students for the final university exams and to identify slow learner v/s advanced performers.

The Oxford Dental College provides transparency in the process of internal assessment examination. We provide the grievance redressal form at the beginning of the academic year itself, to all the students. At the completion of each internal examination the students are provided with the answer copies which are evaluated by the faculty. The students can go through the answer copies and in case they are not satisfied with the overall assessment, they can apply for grievance redressal form for,

1. Retotalling
2. Re-evaluation
3. Any other grievances.

The Oxford Dental College has a mechanism to address the grievances in a stipulated time of 1 week for the immediate resolution of the grievance.

University exam (External) grievance redressal. With respect to Rajiv Gandhi University of Health Sciences, there is a provision for grievances redressal form which the students can apply and submit to the university through the principal of the college. The students can only apply for the retotalling and photocopy of the answer copies and there is no provision for re- evaluation.

Definitions:

1. General Valuation - means two evaluations conducted by two independent evaluators of a particular theory Answer script.
2. Deviation Valuation means the valuation conducted by the 3rd evaluator as per this Ordinance in case of deviation between the total marks awarded by the two evaluators in the General Valuation is equal to or more than 15% of the maximum marks prescribed for the paper. The decimals shall not be rounded off while calculating the cutoff for the deviation. The algebraic formula for the purpose of 3rd valuation shall be as follows: If the total mark awarded by the first valuator is X, and that awarded by the by the second valuator is Y, and the maximum marks prescribed is Z, then answer paper goes for the third valuation if $[X-Y] \geq (0.15 \times Z)$.

Procedure for General Valuation:

All answer scripts of undergraduate courses in Medical/Dental/AYUSH/ Physiotherapy/Nursing/Pharmacy/Allied Health Sciences/Yoga and Naturopathy shall be subjected to Digital Valuation as prescribed by RGUHS. The average of the total marks awarded by the two evaluators for the paper, which is rounded off to the nearest value, shall be considered for computation of the results. The marks awarded and the results declared after general valuation shall be the final and under no circumstances further valuation shall be entertained

Procedure for Deviation Valuation: a. All the answer scripts where the difference in award of total marks

between two evaluators in the general valuation is 15% or more of the maximum marks prescribed for the paper, shall be referred to a 3rd evaluator for evaluation.

a. The average of the best two total marks, awarded by the three evaluators for the paper rounded off to the nearest value, shall be considered for final computation of the results.

b. The marks awarded and the results declared after deviation valuation shall be the final and under no circumstances further valuation shall be entertained.
