- Our college stands out for delivering high-quality, cost-effective treatment. In-house aligner treatment, has benefited 4 patients, while platelet-rich fibrin therapy has positively impacted 101 patients to date in the year 2023.
- The use of photodynamic therapy for pocket reduction treatment has an effective bactericidal effect. The Department of Periodontology have done a total of 17 cases during the period of 2 months wherein we mainly dealt with treating periodontal pockets. There was a success rate of 90% in the treated cases. This therapy being painless and non-invasive has been accepted by patients with tangible results.
- The Department of Pediatric and Preventive Dentistry conducted an evidence based practice and research by adopting an infant oral health care counselling to new mothers by utilization of virtual reality (VR) device. The new preventive strategy has resulted in good treatment outcomes.
- The Public Health Dentistry department has conducted 21 dental screening and treatment camps. The Department of Pedodontics has conducted several oral health programs in various schools.
- The pass percentage is 86% and 100% for BDS and MDS respectively during the last year.
- The Mentor-Mentee ratio was 1:3.
- Anti-ragging workshop was conducted as per the direction of the apex body to curb the menace of ragging in the educational institution.
- The College encourages the staff to conduct research work and provides financial support to publish in journals. To date, many papers have been published in national and international journals.
- The students are self-employed, have taken up higher education, a lot of awards were received for outstanding performance at the international level, sports and cultural activities and most of the students are globally placed.
- Provident funds and ESI benefits are provided for non-teaching staff.
- The institution is Accredited 'A' grade by NAAC in 2016 and 2023.

- Amogh Sarathi has received a gold medal and is reported in the newspaper

MEET SOME OF THE MEDALLISTS

K Deepti from PES College of Pharmacy, Bengaluru, has won three gold medals. Deepti said: "PharmD acts as a bridge to pharmacy and MBBS. Through my course, I have gained knowledge about how medicines will reach patients and react on them." Deepti has now accepted an offer from Queen's University Belfast, Ireland, UK. She will be pursuing Masters in cancer medicine and aims to complete her PhD in cancer research.

K DEEPTI
(PharmD)

Rajani Panta, a student of Padmashree Institute of MLT, Bengaluru, has also secured three gold medals. She has completed her Bachelors and is preparing for Masters. Rajani is also working at a government laboratory. Rajani's biggest inspirations are her brother and sister. "My brother is a doctor and my sister is a nurse... I want to be a doctor who is known for her good ethics," she said.

RAJANI PANTA
(Allied health sciences)

A student of Oxford Dental College in Bengaluru, **Amogh Sarathi** has secured two gold medals and a cash prize. "I initially wanted to do MBBS, but eventually chose dentistry. I want to work in research and development in the dentistry field and incorporate and modify new technologies and methods in India. I want to provide people, especially the underprivileged, with better dental health which is also economical."
