### Summary:

The Oxford Dental College enjoys the rare distinction of being one of the most sought after and best equipped dental colleges in India and Asia. It is housed in a spacious 8-storey integrated complex with a floor space of 2,85,000 sq. Ft., which incorporates complete facilities for pre-clinical and clinical training. The college is recognized by the Govt. Of Karnataka and the Dental Council of India. The college is affiliated to Rajiv Gandhi University of Health Sciences, Bangalore

To familiarize students with their work environment and enable development of practical skills, the college is equipped with the most modern infrastructure. This includes first of its kind CAD-CAM lab having CERCON unit (DEGUDENT GERMANY), high-end KAVO chairs from Germany, state-of-the-art casting equipment, Tek-scanni for occlusal analysis, Computerized periodontal probe and Periastron, specialized microscopes like PENTA HEAD, Phantom heads and other pre-clinical work units. Understanding the necessity of having the finest facilities for students, the college has already invested an enormous 400 Million rupees on its infrastructure and treats about 300 patients free of any charge each day.

At the Oxford Dental College, the management is committed to the policy of regular upgradation of equipment and other facilities keeping the changing needs of time in mind.

*The Oxford Dental College* along with its library was established in the year 1992 at Puttenahalli, J. P. Nagar, Bangalore. In the year 2001 the college moved to its present permanent campus.

The Library & Information Center is housed on the first floor of the Oxford Dental College building with a huge area providing for stocking both books, back volumes of journals & current year journals.

An ultra-modern hostel within the campus of the college takes Sick Room in College care of comfortable stay during the student's learning days. There is a choice from studio apartments to triple occupancy rooms with facilities like internet in each room. A hi-tech hygienic kitchen serves delicious multi cuisine food. In-campus staff quarters, makes faculty available almost round the clock and gives the feeling of a complete residential education institute.

The Oxford Institutions have their fleet of buses for the benefit of students and faculty from various parts of the city. The public transport services are within close reach of the college making commuting simple for those who come from different parts of the city.

Soon the Oxford Metro station will be at the door step of the college.

The importance of banks can be seen from the fact that they are considered as to be the life-blood of day to day activity. It is convenient for the staff and the students to be able to do their banking under the same roof they work in or study respectively. Its beneficial for the staff to manage their salaries and other bank related works, while they are at duty in the college premises. For the students, its beneficial especially for those who come from other states or countries to have a safe and convenient method of banking.

Thus, we have a branch of Bank of Baroda & ATM inside the college premises, to cater to the needs of staff, students and as well as the patients.

The hospital pharmacy is responsible for monitoring the supply of all medicines used in the hospital and in charge of purchasing and dispensing. Keeping this in mind, The Oxford Dental College, has its own pharmacy inside the college, in order to dispense the drugs used for the treatment of dental problems as well as the drugs required for our patients who are operated in the OT, for both, pre- surgical procedures and post-surgery.
