## ACTIVITY REPORTS

### BASIC IMPLANTOLOGY

#### THE OXFORD DENTAL COLLEGE AND HOSPITAL

The Oxford Dental College conducted a capability enhancement course on “**basic implantology**”

The course was conducted on **24-05-23** and **25-05-23**. A total of **165** people attended the program of which few were under graduates, post graduates and faculty. Everyone assembled at 9.00 am in the college Auditorium, The Oxford Dental College for registration. The course started at 9.15 am which included the hands on workshop on implantology. The recent advancements of the basic implantology course was educated to the delegates and a hands on work shop helped them acquire the sufficient skill to go about with the implant placement.

## CURRICULUM

# ITINERARY

*By  
Resource Person: Dr. Savitha Adiga*

**Date: 10/03/20**

**Venue: Auditorium , TODC**

## ACTIVITY REPORT

**Title:** The research Road Map –The RT to proposal writing

**Date:** 10-3-2022

**Location:** The Oxford Dental College, Bangalore

**Audience:** Faculty and postgraduates

**Speaker:** Dr. Savitha Adiga

**Method adapted:** Lecture

**Materials used:** PowerPoint presentation, video clipping

Description: The program was attended by postgraduate students and faculty members. The lecture started at 10:00 AM.

- The Lecture explained various details about the importance of publishing an article. Knowing vs understanding the research
- The Research Roadmap starts by asking each academic department, representatives of the disciplines within UNT, to answer 10 core questions. The responses to these questions will help others see the sense of vision, strength, opportunity, and challenges that the department foresees in its future as the foundation of this R1 research university. Importance of analyzing the radius of curvature and angle of curvature

She explained the correct ways to conduct research for publishing and also the criteria which must be fulfilled as per various journals. The participants were successfully able to understand the correct protocol which should be followed while trying to publish an article

The participants were distributed with certificates for this program

### **Activity Report**

**Title:** Kirik Party-Learn,Unlearn,Relearn: Clinical Applications of Child Psychology

**Objectives:** To help students understand the the applications of Child Psychology in Pediatric Dentistry.

**Date:** 31.03.2023

**Time:** 9:30am – 3:00pm

**Location:** Auditorium, The Oxford Dental College

**Organized by:** Department of Pediatric and Preventive Dentistry

**Audience:** Staffs, Postgraduates

**Speaker:** Dr. Sharath Asokan

**Method Adopted:** Lecture with Audio Visual aids

**Materials used:** Power point presentation

**Description:** Department of Pediatric and Preventive Dentistry of the Oxford Dental College had conducted a CDE program on “**Kirik Party-Learn,Unlearn,Relearn: Clinical Applications of Child Psychology**” for the Staffs and Postgraduates of different Dental Colleges of Karnataka on 31.03.2023. The proceedings of the session started off with a lecture by Dr. Sharath Asokan, Principal and Professor, Department of Pediatric Dentistry, KSR Institute of Dental Science and Research, Tiruchengode, Tamil Nadu. The lecture varied on a variety of topics of Child Psychology and its Application in Pediatric Dentistry. About 75 delegates attended the program. Question and answer sessions were held after the end of the program. Feedback forms were given to the delegates to evaluate the success of the program as well as grading the participants.

# CURRICULUM

36.Introduction

37.What is child psychology?

38.Clinical application

39.Components:

- Basic skills
- Development
- Importance in patient management

40.Conclusion

**DEPARTMENT OF PEDIATRIC AND PREVENTIVE  
DENTISTRY**

## **PROGRAMME**

*09:15 am – 09:30 am : Registration*

*09:30 am – 09:45 am : Inauguration*

*09:45 am – 11:00 am : Lecture 1*

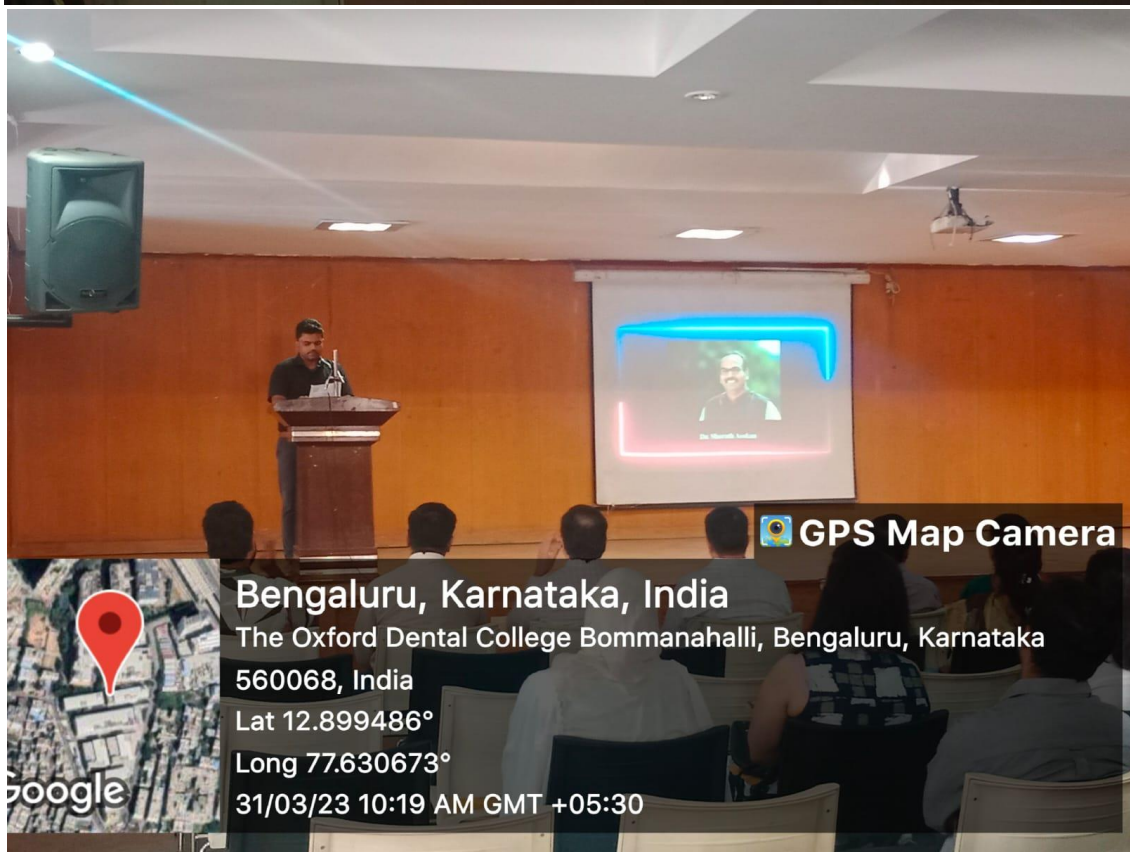

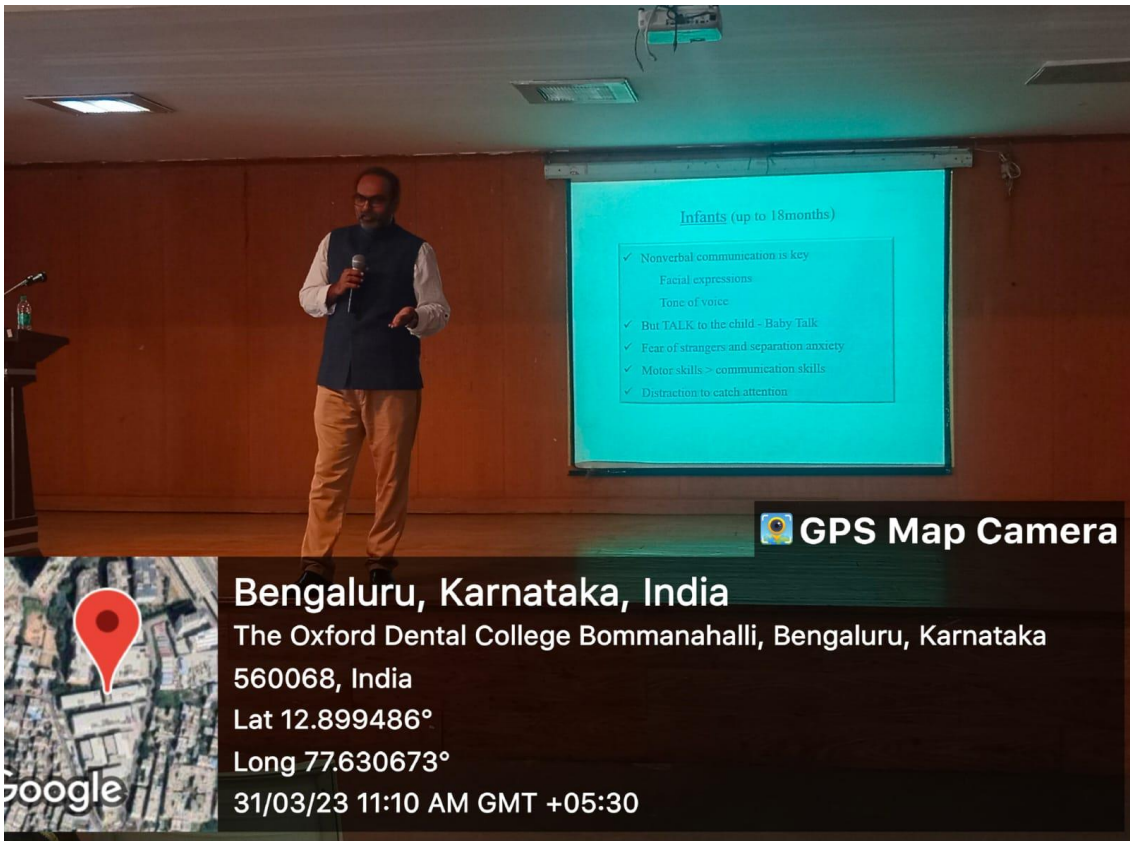

*11:00 am – 11:30 am : Tea Break*

*11:30 am – 01:00 pm : Lecture 2 with activities*

*01:00 pm – 02:00 pm : Lunch*

*02:00 pm – 03:00 pm : Lecture 3 with activities*

## Activity Report

**TITLE:** Orofacial pain Clinic inauguration

**DATE:** 15/03/2023

**TIME :** 10 am onwards

**VENUE:** Dept of Oral Medicine and radiology and Auditorium, The Oxford Dental College.

**ORGANISED BY:** Department of Oral Medicine and Radiology, Dept of Orthodontics and Dept of Prosthodontics, The Oxford Dental college

**PARTICIPANTS:** Faculty and Post graduate students, The Oxford Dental College.

**DESCRIPTION:** Orofacial pain center in the Dept of Oral medicine and Radiology was inaugurated on 15<sup>th</sup> of march, 2023 by our Respected Chairman Sri. SNVL Narasimharaju Garu, Dr Niveditha Kumar, Guest speaker and Dr Priya Subramaniam, Principal and Head of the Dept of Pedodontics by cutting the tape and lighting the lamp. Heads of all the department and faculty were present.

Followed by the inauguration there was a CDE programme conducted in Auditorium, TODC

Programme details:

1. Introduction to Orofacial pain clinic by Dr Asha V, Associate Prof Dept of OMRD
2. Lecture on Oro facial pain by Dr Deepa Jayashankar, Professor, Dept of Prosthodontics
3. Lecture on Dental Sleep Medicine – An Emerging speciality by Dr Niveditha Kumar (Guest Lecture)

Dr Asha V, co-ordinator of OFP clinic introduced the first speaker. Dr Lakshmikanth, chief co-ordinator of OFP clinic & HOD of Orthodontics introduced the Guest speaker. Seventy six participants (Faculty and PG students) attended the programme. It was very interactive and well appreciated. The speakers were presented with Memento and certificate by Dr A.R. Pradeep , Head of the Dept of Periodontics. After the programme feedback was taken from all the participants.

## **Activity report**

**Title:** One Day protocol writing

**Objective:** To give an insight to synopsis writing for 1<sup>st</sup> M.D.S

**Date:** 14-03-2023

**Time:** 9.00 Am-3.00PM

**Location:** The Oxford dental college .Bangalore

**Organized by:** Department of Oral Medicine and Radiology

**Participants:** Ist year MDS, Final year, 111rd year

**Method adapted:** Group activity, PPT presentation

Description: The programme began with introduction of key note speaker for the day Dr.Murali Mohan Reddy by Dr.Asha (Associate professor Dept of OMR). Initially a pretest was taken by sending a link to the participants, which could assess their knowledge on this aspect .The keynote speaker, has created a co guide App which will help students to formulate their study design. The key note speaker begin the lecture with how to decide the topic ,the factors associated with the topic .He further added regarding the review of literature .The key note speaker interacted with the participants regarding data collection by giving various examples .At 11pm the session was stopped for a tea break .The session began with data management and compiling the data. Then further the needfulness of statistician .There was lunch break at 1.00pm.

The programme ended by handing over a certificate and token of appreciation to the key note speaker by Dr.Anuradha Pai (Vice principal, Prof and head dept of OMR).

## The Oxford Dental College

Department of Orthodontics and dentofacial Orthopaedics

### Activity Report

**Title:** Fundamentals in Dental photography

**Objective:** To help students understand fundamentals in Dental photography, allowing them to predictably document clinical patient images.

**Date:**13/3/2023 to 17/3/2023

**Time:**3.00 to 6.00pm

**Location:** 4<sup>th</sup> floor Seminar hall, Department of Orthodontics

**Organized by:** Department of Orthodontics and Dentofacial Orthopaedics

**Audience:** 1<sup>st</sup> ,2<sup>nd</sup> year MDS Students of Orthodontics

**Speaker:** Dr Raganandan C

**Method Adopted:** Lecture with Audio visual aids

**Materials used:** Power point presentation

**Description:** Department of Orthodontics and Dentofacial Orthopaedics of The Oxford Dental College had conducted a Value-added course on "Fundamentals in dental photography" for 1<sup>st</sup> ,2<sup>nd</sup> year MDS Students of Orthodontics. The proceedings of the session started off with a lecture by Dr Raganandan C, Professor, Department of Orthodontics. The lecture varied on a variety of clinical requirements for photographic records and its importance in documentation of records in daily clinical practice. Feedback forms were given to participants, to evaluate the success of the program as well as grading the participants.

## WHITE COAT CEREMONY

White coat ceremony is a programme organized by our college for the clinical students to guide them about the professional ethics. This event is conducted once the students enter into 3rd year, as they begin with their clinical journey. This programme was organized on 10th March 2023 in our college auditorium with almost 40 participants in this event. The programme began with lighting of lamp by all the dignitaries. Our principal Dr. Priya Subramaniam Prof and Head Dept of Pediatric and preventive dentistry addressed the students. The guest speaker of the day Dr. Kenneth F.H. Tan guided the students about the ethics, patient management, treatment procedures, infection control protocols and communication skills. This was intended to provide students with well defined guide lines regarding the responsibilities of a clinician, as they transitioned from preclinical to clinic. The students were informed about the dress code, and their responsibilities as a doctor towards the patients. The white coats were distributed to all the clinical students and the programme was concluded with vote of thanks and National Anthem.

commenced with an inauguration followed by invocation along with a lamp lighting ceremony. This was then followed by an official launch of the World Oral Health Month by our respected Principal, Dr Priya Subramaniam. After this, Dr Praveen J delivered the World Oral Health Day lecture and Dr Anuradha Pai read out the World Oral Health Day Pledge to the attendees. All the attendees pledged to make oral hygiene instruction a priority while treating patients. The proceedings of the World Oral Health Day culminated with a 'Vote of thanks' and assembly in the college quadrangle for the World Oral Health Day Pledge for patients.
