The Oxford Dental College  
Bommanahalli, Hosur  
Bangalore - 560 088.

Our students hail from different parts of the country yet they believe in unity in diversity and are encouraged to respect various religions & cultures that characterize the ethos of India. The college is their home away from home and all students & faculty participate in different festivals with equal vigour and joy. It is customary to organise an anti-ragging awareness program in The Oxford Dental College auditorium annually. The main motive of this day is to make the new students aware of the friendly atmosphere that prevails in the college and to boost their confidence. Be it the annual College Day, Graduation ceremony or National Holidays like Republic Day, Independence Day & Gandhi Jayanti, World cancer Day, Sports Day, religious celebrations like Holi, Diwali, Eid, Christmas, Onam etc; Teachers' Day or International Woman's Day; The Oxford Dental College has always been at the forefront of sensitising students to the cultural, regional, linguistic and socioeconomic diversities of the state and the nation. Professional ethics is also imbibed in our students. The Student grievance redressal cell and the Women's grievance redressal cell deal with grievances without considering anyone's racial or cultural background. The Oxford Dental College reaches out to the community for providing better oral health care. Satellite centres have been established to provide patient care in rural areas. Jail camps are organized to provide dental treatment to jail inmates. Buses ply regularly from the college to ferry patients for treatment. School dental camps are also organized for oral screening of the kids so that preventive and interceptive dental treatment can be provided. Tobacco cessation cell has been established for the purpose of spreading awareness and providing necessary treatment and referrals wherever necessary to the needy. All these facilities to the patients are provided irrespective of their caste, creed, colour, sex, or socioeconomic background.
