### Programme Report

#### 1. Summary

## Orientation / Foundation courses practiced in the institution for students entering the college / clinics / internship:

### Programme Report

#### 1. Summary

The college organised an orientation programme for the fresh batch of students, in this programme all the dignitaries and the guest speakers guide the students regarding how a professional college education system goes on, they are told about the code of conduct, exams, study pattern etc and a file is distributed to them which contains complete material. This is done all the years for the 1<sup>st</sup> bds students. White coat ceremony is a programme conducted for the 3<sup>rd</sup> bds students every year when the students enter the clinical section. Here the students are told about the code of conduct and professional ethics which they should follow in the clinics they are also guided about the standard operating procedures and also about communicating with the patients. The event ends up with the distribution of white coat. Programmes are conducted regarding community skills, infection control, biomedical waste management and the professional ethics to be followed at the institutional level. In this programme the speakers emphasise on the sterilisation protocol before working on patients and how the disposal of the hospital waste is followed. The students are also guided regarding the professional ethics, were in they are thought about the communication skills with patients. The college organises orientation programme for all the interns which is mandatory for the interns to attend. In this event Principal, all the department heads, staff and a guest speaker attend the programme. The speaker briefs the interns about the 1 year compulsory rotatory internship, protocols for working in the institution, public health centres, professional ethics to be followed etc. The Principal tells them about code of conduct, dress code, discipline to be followed in the campus etc. The head of the department from each department explains the interns about how their department functions with a set protocol, how the patient treatment is done, regarding the appointments, type of cases handled in the department. They are also told about dress code, timings to report for duty every day and the work load in the department. All these programmes are organised every year in the institution by different committees in the college with a maximum participants of 100 in 1<sup>st</sup> year bds, about 60-70 participants in 3<sup>rd</sup> bds and almost 100 and above participants in interns. The events are well organised by the committees in the college auditorium which starts off with an invocation and lamp lighting, ends up after the speeches by the speakers with a national anthem. Finally all the events end up with lunch or high tea and the interns go back to the respective departments where posted and follow the instructions.

### **3. Report (With Annexures) on White Coat Ceremony Of 2022-23**

White coat ceremony is a programme organized by our college for the clinical students to guide them about the professional ethics .This event is conducted once the students enter into 3<sup>rd</sup> year, as they begin with their clinical journey. This programme was organized on 10<sup>th</sup> March 2023 in our college auditorium with almost 40 participants in this event .The programme began with lighting of lamp by all the dignitaries. Our principal Dr.Priya Subramaniam Prof and Head Dept of Pediatric and preventive dentistry addressed the students .The guest speaker of the day Dr.Kenneth F.H.Tan guided the students about the ethics ,patient management ,treatment procedures ,infection control protocols and communication skills. This was intended to provide students with well defined guide lines regarding the responsibilities of a clinician, as they transited from preclinical to clinic. The students were informed about the dress code ,and their responsibilities as a doctor towards the patients .The white coats were distributed to all the clinical students and the programme was concluded with vote of thanks and National Anthem.

## Infection control and biomedical waste management

The Oxford Dental college and hospital follows the protocol of the infection control and biomedical waste management. The programme for nurses and technicians was organised on 30/09/22, in the seminar room of the department of public health dentistry at 11:30 am they were educated on sterilization of the instruments using autoclave they were briefed about chair side disinfection and fumigation of clinical sections at the end of the day

The programme for housekeeping staff was organised on 30/09/2022, where they were educated about the most important requirement in the hospital is to maintain the hygiene which is done by the house keeping staff that there is no harm from the hospital side to the sick people and to avoid any cross infections from other patients and doctors. All the clinical sections and the departments in the college follow the segregation of waste by placing separate bins for contaminated waste by the house keeping staff, plastics etc which is maintained by the house keeping staff, chair side protocols are followed by all the undergraduate, postgraduate students and staff during the treatment procedures till the patients are discharged from the clinics, the segregated biomedical waste is disposed from the hospital and authorised agencies.

**Autoclaving of Instruments**

**Packing for sterilization**

**Disposal of Amalgam Scrap**

## Professional ethics

The college organised professional ethics programme 30/09/2022 for the faculty where teachers are trained to provide professional education services in a non-discriminatory manner. And not use any professional relationships with students, parents, and colleagues to private advantage. awareness programmes are conducted for non-teaching staff and guided to discharge in his/her duties efficiently and diligently and shall conform to the rules and regulations Should be loyal to the Institution by ensuring punctuality and reliability in all duties. Staff should display the highest possible standards of professional attitude that is required in the Institution. Maintaining professional behaviour and dignity with students and staff.
