2	Distance from Dental college to medical college by road is 20 km	2. Due to ongoing metro work and travelling through alternate routes, the distance to the Oxford Medical College has increased. Hence permission has been taken from St. John's Medical College, which is at a distance of 4.5km from the dental college. Copy of the letter for extension of Clinical facilities; No. 3/1/823/2020; Dated 15-09-2020 is at Annexure -4. St. John's Medical College is a recognized Medical College, the college does not have its own dental college, and no dental college is attached.
3	On physical verification on the date 11.02.2020 Conservative Department has got 5 staffs, Public Health Dentistry have got 3staff, Pedodontics got 5 staff, Oral Pathology have got 4 staffs, Periodontics have got 9 staffs and Prosthodontics have got 11staffs, Oral Medicine have got 9 staffs, Oral & Maxillofacial Surgery have got 10 staffs, Orthodontics have got 11 staffs, Periodontics have got 4 staffs, suddenly on 12.02.2020 (second day of the inspection) the staffs in all the departments has swollen up to the double and triple which does not match bio-metric & attendance register records grade III and grade IV staffs are not according to the register.	3. List of Dental Teaching staff is at Annexure - 5 List of Non Teaching staff / Administrative / Ministerial staff & Supporting staff is at Annexure - 6
4	Clinical Material: a) Data of clinical material (OPD of the department and main OPD) do not match the upon physical verification. b) There were hardly any patients in the clinics.	(a) The reasons for mismatch of the OPD of the department and main OPD are due to patients referred from one department to another department for curative treatment in a particular area of specialization.  (b) There are adequate number of patients in the clinics as the college is strategically located at 10 <sup>th</sup> milestone on Hosur road. No other dental colleges are located within a radius of 10km. Moreover, the college is in the vicinity of many industries, garment factories and IT sector which ensures a regular good inflow of patients. Due to this, NAAC has accredited the college with a high score of 3.65/4, thus according an 'A' grade. Hence there is no dearth of clinical material. Copies of OPD registers are at Annexure - 7A & 7B
