Time: 10:00 am- 12:30 pm

Title: Orientation programme for the I BDS

Objective: Orienting the fresh BDS students about professional course

Location: Auditorium, TODC

Audience: I BDS students

Description: The program familiarises students with the curriculum, institutional policies, and resources while fostering a sense of community among peers and faculty. The program was conducted for two days and included key sessions:

1. Welcome and Introduction:

The inauguration included addresses by principal ma'am and vice principal for BDS students followed by tour of the departments in the institute and campus tours.

2. Academic Overview and Resources:

Detailed presentations on the curriculum, examination patterns, and faculty introductions helped students understand academic expectations. The program concluded with take aways like a curriculum handbook, a material kit pertaining to some departments, and mentor contacts. By fostering early engagement and clarity, the orientation ensures students are well-prepared to embark on their academic journey with confidence and purpose.

Title: White coat ceremony

Objective: This program is to guide our clinical students to about the professional ethics

Location: Auditorium, TODC

Audience: III BDS students

Chiefguest: Dr.Kenneth F.H.Tan

Description: White coat ceremony is a programme organized by our college for the clinical students to guide them about the professional ethics. This event is conducted once the students enter into 3rd year, as they begin with their clinical journey. This programme was organized on 13th March 2024 in our college auditorium with almost 54 participants. The programme began with lighting of lamp by all the dignitaries. Our principal Dr.Priya Subramaniam addressed the students .The guest speaker of the day Dr.Kenneth F.H.Tan guided the students about the ethics ,patient management ,treatment procedures ,infection control protocols and communication skills. This was intended to provide students with well defined guide lines regarding the responsibilities of a clinician, as they transited from preclinical to clinic. The students were informed about the dress code and their responsibilities as a doctor towards the patients .The white coats were distributed to all the clinical students and the programme was concluded with vote of thanks and National Anthem.

Title: Career opportunities for dentists in the Indian Armed Forces

Dates: 2nd March 2024

Venue: Auditorium, The Oxford Dental College

Guest Speaker: - WG CDR Gagan Deep Kochar

Method Adopted :- Powerpoint Presentation

No. of Participants:- 149

Organized By:- Department of Periodontology

Introduction

The "Career opportunities for dentists in the Indian Armed Forces" at The Oxford Dental College, held on March 2nd, 2024, aimed to motivate and give insights to the students on Armed Dental Corps. This report highlights how to apply for the Army Dental Corps for graduates and postgraduate students post the completion of the course.

Program Overview

The Program commenced with an inaugural session and welcome address. Renowned expert WG CDR Gagan Deep Kochar delivered a lecture on the career opportunities for dentists in the Armed Dental Corps and also gave insights into the proceedings to be followed to apply for the same. Participants engaged in interactive sessions, discussions, and feedback collection for program improvement.

The Program concluded with a vote of thanks expressing gratitude to all participants and facilitators. Additionally, feedback was gathered from participants to assess the effectiveness of the program and identify areas for further enhancement.

Outcome

The Program garnered positive feedback, with participants appreciating the relevance of covered topics. Key outcomes include increased awareness of career opportunities for dentists in the Armed Dental Forces, competitive exams and the proceedings to be followed to get selected into the Army, and motivating the students by giving insights into the pros and cons of joining the army.

Recommendations

- Interested students who want to apply for the Army Dental Corps can interact with the speaker to acquire more information about the same.

Conclusion

The program provided participants with essential knowledge on applying for Armed Dental Corps.

BEYOND THE CHAIRS-EXPLORING GOVERNMENT OPPORTUNITIES presented by Dr.AKSHAY V ANAND

Brief about the lecture

TOPIC:

"BEYOND THE CHAIRS- EXPLORING GOVERNMENT OPPORTUNITIES"

Clinical dentistry does not have to be the sole role for dental professionals, many pathways exist beyond the dental chair with many others yet to be discovered. Among these, the concept of "BEYOND THE CHAIRS- EXPLORING GOVERNMENT OPPORTUNITIES" has garnered attention in recent times. Equipped with our knowledge of dentistry and promoting behaviours for better oral health, enables us as dental professionals to explore aspirations within areas of practice ownership, consultancy, management, social media advocacy, oral health promotion and beyond! we may elect to extend your knowledge through postgraduate qualifications (Master of Business Administration, Master of Public Health etc), membership with colleges and institutes, or short courses in business, management, public health and policy. The lecture will give a detail about all the opportunities that are available after completing dentistry.

ACTIVITY REPORT 2023- 24

Career counselling is the process of guiding students on the path to self-discovery and self-realization, working with them patiently, supporting them as they weed out self-doubt and make surer decisions based on their interests, leading to long-term satisfaction with their choices and a life lived with purpose. Career Guidance and Counselling is a comprehensive and developmental approach. It helps an individual in making and implementing informed educational and occupational choices.

Career Guidance is the guidance given to individuals to aid them in understanding their skills, abilities and potential that is important for advancing in their career path.

At institution level Student Guidance and Career Counselling Cell is formed. It directs all the Departments to conduct courses. Each department identifies topics and organizes these courses that are either conducted by the faculty members of the department or the subject experts to bridge the gap between the curriculum and the requirements of the clinical practice. The college organizes special training sessions and the students are sensitized to various decisive skills like group discussions, better communication skills, presentation skills, writing skills and so on.

The Institution has succeeded in organising around 17 programs by various departments for career advancement and competitive examinations for undergraduates, Interns and postgraduate students. These courses have empowered them to refocus on the Subject they have studied and build confidence in upgrading their clinical skills.

The below table summarizes the programs/ courses conducted in the year 2023- 24 and the number of students who have benefitted from the same.
