Library Staff scan the cover/content pages of newly arrived Books, Journals/Technical Magazines domain wise and send the alert mail to all the students as well as faculty groups. Additionally, they also host them on the library portal for future reference and access.

Library also proactively hosts the gateways of the subscribed e-resources (HELINET) accompanied with the links of training material to enhance usage of e-resources by its stakeholders. Demonstrations for the students are also conducted to ensure optimum utilization of e-resources. At the end of the year journals are bound volume wise and issue wise. The Library also stores Dissertations from the students of TODC and also from other Dental Colleges which are kept in the reference section.

Library also collects all the previously held university external examination question papers and current syllabus on the library portal with the help of "todcl.blogspot.com". All question papers are arranged as per the branches, grouped year-wise so as to enable easy and direct access to the Students from anywhere. They can also download the same.

To increase usage of e-resources subscribed by College, Library organizes hands on Training Sessions of e-resources with the help of product trainers and the librarian for complete understanding of the product features. Stakeholders are trained to retrieve required information quickly from the database which facilitates for writing research papers / publications, to conduct Ph.D. research work and also other research as well as academic activities efficiently.
