**3.4.4 Institutional social responsibility activities in the neighborhood community in terms of education, environmental issues like Swachh Bharath, health and hygiene awareness, delivery of free/ subsidized health care and socio-economic development issues carried out by the students and staff, including the amount of expenditure incurred during the last five years**

**Response:**

Social responsibility is an ethical code urging individuals to act for the greater good of society and their environment. This benefits everyone. Colleges have a vital role in nurturing this responsibility in students. Through education and support, we can help students develop a sense of social commitment and become responsible Indian citizens. Integrated learning programs like student and faculty orientations foster holistic development.

Our college actively cultivates social responsibility through various initiatives. These programs aim to make students more sensitive and responsive to societal needs.

For example, our dental outreach program provides oral care in rural areas through satellite clinics, mobile units, and dental camps. Additionally, we offer free transportation to patients and subsidized or free services for those in need.

Furthermore, we celebrate events that raise awareness and promote positive interaction among students. These efforts empower our students to become positive changemakers in society.

## Activity report

Department of conservative dentistry and endodontics

Title :Patient education program.

**Objective:** To explain the various oral hygiene technique, importance of the oral hygiene in day-to-day life.

**Date:** 07-03-2024.

**Time:**10:00am

**Location:**

**Organized by:** Department of conservative dentistry and endodontics

**Audience:** patients, postgraduates, intern students.

**Speaker:**

**Method adopted:** lecture

**Materials used:** models

**Description:**

The program explained the various oral hygiene technique, importance of the oral hygiene in day-to-day life. Briefly educated about what are the early sign and symptom of poor oral hygiene, when to visit the dental clinician and how to maintain the good oral hygiene.

The participants were given the certificate of participation for an effective participation and understanding of the topic

### **BRIEF SUMMARY: PATIENT EDUCATION PROGRAM**

Endodontics is concerned with the health, of injuries to, and diseases of dental pulp (nerve) and surrounding structures (tooth, root and bone) including prevention and treatment in dental and patient well-being. The main aim is to preserve a functional tooth and maintain or regenerate healthy supporting tissues.

It also demonstrates how endodontics meets the GDC's principles and criteria for specialist listing. This standard driven transparent approach protects patients, the public, employers, and othersthrough preparation of dentists to deliver high quality, safe, patient, and public centred care as specialists within the health care system.

**Title:** National Orthodontist Day

**Objective:** To create awareness among students and patients of The Oxford Dental College

**Date:** 15.05.2024                      **Time:** 9.30am to 3pm

**Location:** College Auditorium and quadrangle

**Organized by:** Department of Orthodontics and Dentofacial Orthopedics

**Audience:** Students, patients and staff

**Speaker:** Dr Laxmikanth SM

**Method adopted:** Lecture

**Materials used:** Videos, skit, placards

**Description:** Dr Laxmikanth gave a lecture on National Orthodontist Day – a perfect opportunity to learn about orthodontists and the type of care they provide. Different treatment modalities were showcased, interdisciplinary procedures, and motivational videos were shown regarding orthodontic treatment .

A skit was performed by our department post graduate students, depicting various scenarios where people face rejection in jobs, colleges etc due to bad teeth.

Patient education was done by displaying placards throughout the college to educate children and adults regarding orthodontic treatment .

## **SUMMARY**

Bangalore.

**Subject:** Permission Granted to conduct Dental Camp at Halaguru Wildlife Range, Cauvery Wildlife for forest frontline Staff and Officials.

I would like to express my appreciation for your interest in conducting a dental camp at the Wildlife range, Halagur of Cauvery Wildlife Sanctuary. After considering your proposal, I am pleased to inform you that the DCF, Cauvery wildlife division has approved your dental camp project.

Please ensure that all activities conducted during the dental camp adhere to the guidelines and regulations set by the Cauvery Wildlife Sanctuary. I encourage you to liaise with our team to coordinate the logistical details of the dental camp. Necessary arrangements for camp will be provided and coordinated.

Thanking you,

  
Range Forest Officer

Respected Madam/sir,

**Subject: Request for Conducting dental screening and treatment camp.**

\*\*\*\*\*

Greetings from Wildlife Range Halagur, Cauvery Wildlife Sanctuary, Kollegal.

We have identified significant need for dental health care to the forest front line staff and we believe that this camp would greatly benefit our front-line staff of Forest department.

We propose Conducting dental screening and treatment camp as per below at Halagur Wildlife Range. The duration of the camp is estimated to be four hours, during which we aim to serve approximately 100 staff in need of dental care.

Please find below details of the camp.

Date: 05-10-2023 or 07-10-2023

Time: 10.00 AM to 2.00 PM

Location: Nature Camp, Bheemeshwari.

Expected Numbers of Participants -100

Thank you for your consideration, and we look forward to the possibility of conducting the dental screening and treatment camp at Halagur wildlife range.

Thank you,

Subject: Dental camp Request letter

Dear Sir,

With respect to the subject above we are interested in organizing a dental health check up camp for the employees in your company. The need of the hour is to create awareness about the healthy life style and self care. We also propose to give an oral health awareness talk regarding the maintenance of oral hygiene for all the people working in your place. So we require your assistance and co operation towards the same.

You may please confirm if it is convenient for you either on 26th Oct or 3rd Nov 2023.

We are looking forward for your favourable response. Kindly give us the permission and stage.

Note: Following are the requirements for the above camp.

Tables - 2

Chairs - 8

Over sink - 2

\*\*Any provision if available for Powerpoint presentation.

Thanking you,

Yours sincerely,

Dr. Ramesh, B

Respected Dr. Ramesh,

I hope this email finds you well. This is Saurabh and I am writing this email on behalf of BOSCH Corporate Social Responsibility (CSR) with the intent of collaborating with the prestigious Oxford Dental College. We are keen to jointly organize a dental camp in Huskur Village, addressing the pressing need for quality dental care in the region.

Huskur Village, being a somewhat distant locale, has long faced challenges in accessing comprehensive dental services. The lack of nearby dental facilities and limited awareness of oral health have been barriers to the residents' well-being. We believe that by combining the strengths and resources of The Oxford Dental College and BOSCH CSR, we can make a significant positive impact on the dental health of the villagers.

The primary objectives of this proposed camp would include:

1. Offering basic dental screenings for the villagers.
2. Educating the community about the significance of oral hygiene.
3. Guiding individuals on best practices for daily dental care.
4. Providing essential treatments or further referrals as needed.

For the successful execution of this camp, our resources are at your disposal. Additionally, we will work closely with the local authorities and volunteers to ensure smooth operations. We are hopeful that The Oxford Dental College will recognize the value of this collaborative endeavor and grant its esteemed partnership for the same.

Thanking you in advance for considering this initiative.

That said, I request you to share logo of The Oxford Dental college with us for the communication.

Best regards,

Saurabh Gupta

To  
The Principal,  
Oxford Dental College  
Bangalore

Dear Sir,

Rotary club of Bangalore is organising a medical & Dental camp for the Tribal families and children in Bandipur on 7 Nov. 2023 between 10 am till 3 pm.

We will be screening about 500 children in two schools and their parents as well as other local residents there.

We would like to request you to please support us for the same.

We will require 2-3 dental students/ interns along with basic equipment like mouth mirrors and probes, torches and gloves to screen about 500 children and 500 adults. There is a prevalence of oral cancers in that region.

We can look at organising transport to Bandipur and food expenses for the participants.

Please let us know if you will be able to participate in this camp.

Thank you

Best Regards,  
Dr. Anju Agadi  
Co-Chair for community service, Rotary Club

Vijayanagar, Bengaluru - 40.

To,  
Oxford Dental College

14/01/2024

SUB: Requesting for dental camp.

Scholastic Abacus, founded in 2006, has evolved into a significant force in abacus education, impacting over 30,000 students in Karnataka. Committed to excellence, it provides cost-friendly programs, ensuring quality education through a dedicated team.

Announcing the 6th State-level Abacus/Vedic Math competition, Scholastic Abacus showcases its dedication to fostering mathematical skills. From 50,000 students, 6000 have been selected for the event on **21/01/2024 at N S Palace, Bengaluru.**

Beyond competitions, Scholastic Abacus reaches 30,000 students in classes with support from 12 franchises. Nine esteemed companies actively participate in this year's competition. Honored with the Kempgowda award in 2018 and the Universal Icon Women Achiever Award in 2023, Scholastic Abacus is dedicated to education and skill development. It provides free Abacus education at Spatikapuri Academy, positively impacting communities. Expanding its programs, Scholastic Abacus offers handwriting improvement, Vedic math, and Rubik's cube workshops. It's now venturing into personality growth and career counseling for 9th and 10th graders, guiding students toward successful career paths.

Recognizing Oxford Dental College's commitment to community well-being, we are reaching out to request your sponsorship for a free dental camp at our upcoming competition. This initiative aims to create oral hygiene awareness to the participants and attendees, contributing to their overall well-being. Your support will not only enhance the success of our event but also align your esteemed institution with a cause that prioritizes education and community health. We believe that this collaboration can make a meaningful difference in the lives of the participants and the community at large. We are enthusiastic about the possibility of partnering with Oxford Dental College and would be grateful for the opportunity to discuss this further. Thank you for considering our request.

Thank you.

Yours,  
Kavya M

Respected Sir,

We the team, from Chikkaballapur Territorial Division Forest Office would like to formally invite you to conduct an oral screening and treatment camp in our premises. We are aware of your great service to the community through other sources like RFO, Banerghatta and word of mouth. Moreover, we are well versed with the achievements of the Dept of Public Health Dentistry in promoting oral health even in the remote parts of Bengaluru. We would like to propose 23/01/24 as the convenient date for conducting the dental camp. Waiting for a positive reply from you.

Regards,

Deputy Conservator of Forests,  
Chikkaballapur Division, Territorial  
Chikkaballapur.

Subject: Requesting Support for Health Camp at "Government post matric categorised college girl students home" on febr 2024

Respected Dean,

Season Greetings from Dr. Sandhya Health Foundation!!

I hope this letter finds you in good health and high spirits.

I am Ashok, Executive Director of Dr. Sandhya Health Foundation, writing to you, requesting support for Health Camp on Government post matric categorised college girl students home.

Our foundation has been actively involved in organizing health awareness programs and camps to contribute to the well-being of the community, particularly girl children aged from 8 to 12 years.

We are planning to organize a health camp for 154 girl children at Government post matric categorised college girl student on February 24, 2024, focusing on "Dental Screening" for girl children residing at this home.

In this regard, we are reaching out to "The Oxford Medical College, Hospital & Research Centre", a renowned institution for healthcare excellence, to seek your support for this noble cause.

The event is scheduled as below:

Date: February 24, 2024

Time: 9:30 am onward

Venue: Government post matric categorised college girl students home,  
Haralur Phase -2 (Hosur Road), Bangalore - 560068.

We request you to consider and kindly confirm your support at your earliest. Your commitment to this initiative would be appreciated and acknowledged during the event.

Sincerely,

Ashok,  
Executive Director,  
Dr. Sandhya Health Foundation.

Respected Sir/Madam

**Subject: Request for Health Camps in Anandapuram and Mayabazar - reg**

IHMR, Bangalore along with our partner organization HCL Foundation (Funder) are working on a CSR project "Strengthening 1<sup>st</sup> 1000 days and Early Childhood Care and Development (ECCD) in Urban Slums of Bangalore". This program focuses on underprivileged communities living in the urban slums of Bangalore namely Maya Bazar and Anandapuram. As part of the program, 3 crèches are being run in the project locations covering 6-month to 3-year children. In total, there are 75 children enrolled in the crèches. Besides, the program engages parents of children, pregnant women, and lactating mothers in both communities. As part of our efforts to ensure the holistic well-being of the community members, we are planning to organize health camps in Anandapuram and Mayabazar on 3rd and 10th March, 2024. Considering the importance of dental screening in these vulnerable communities, I request your team to support us on these two days in screening the complete population including children. The total population in Anandapuram is approx. 5000 and Maya Bazar is approx. 2000.

We would sincerely appreciate it if you could confirm your team availability and block 3rd and 10th March, 2024 for the dental camp.

We look forward to your positive response. For any information, please feel free to contact me.

Thanks & Regards

Respected Sir,

**Subject: Permission to conduct program in Jayadeva Institute of Cardiology premises.**

We from the Oxford Dental College are conducting various events on the occasion of World Oral Health Day 2024.

With regard to the subject above, we are planning to conduct a free screening camp along with an awareness program in the form of Skit and flash mob in the Jayadeva Hospital premises on 28/03/2024. This is mainly for the patients and general public to create awareness about oral health and its importance in general health. The timings will be between 10.30 am to 2 pm.

I kindly request you to permit for the same.

Thanking you

Dear Sir, Namaskara,

At Suvarnamukhi Samskruthi Dhama, Vaderahalli, Kanakapura, we are conducting general check-up free medical camp for surrounding villages on Sunday, June 30th. We wanted to see if the Oxford dental team can join us to make this medical camp a grand success.

Please let us know.

Thanks,  
Sunil Jayaraj

## Activity report

**Title:** Overseas Career Counseling

**Objective:** Overseas Career Counseling for interns and undergraduates

**Date:** 22.08.2023

**Time:** 10:00 am –11:15am

**Location:** Auditorium, The Oxford dental college, Bangalore

**Organized by:** Dept of Public Health Dentistry

**Participants:** Faculty, Interns, Undergraduate students

**Description:** On 22<sup>nd</sup> August, the Department of Public Health Dentistry in association with IDP and IELTS, conducted a talk on “Overseas Career Counseling”. The speakers of the program were Mr. Binoy Sarkar and Ms. Aishwarya from IDP. Around 10.00 am, the program was started with the welcome speech by Dr. Bhavana, Intern. After the welcome speech, Dr. Ramesh N, Head of the Department, Department of Public Health Dentistry gave a brief talk on the importance of overseas career counseling to the Interns and undergraduates. Mr. Binoy Sarkar, Strategic Alliance Manager at IDP, gave brief talk about overseas education and career prospects. Then Ms. Aishwarya, Senior consultant at IDP, explained about the examinations, scholarships and funding approaches to the various global universities. After the counseling session, vote of thanks was given by Dr. Vinod Kumar, Senior lecturer, Department of Public Health Dentistry. Saplings were given to the speakers as a token of appreciation.

## Activity report

**Title:** Camp at Bannerghatta National park

**Objective:** Oral Health Awareness and treatment camp

**Date:** 20.07.2023

21.07.2023

**Time:** 8:30am – 5:00pm

**Location:** Bannerghatta National Park, Bangalore

**Organized by:** Department of Public Health Dentistry

**Participants:** Faculty, Post-graduate students, Interns

**No. of people screened:** Day 1- 93, Day 2 - 66

**Description:** The Department of Public Health Dentistry arranged a two days oral screening and treatment camp at the Bannerghatta National park. On the first day (20-07-2023), camp was held at Bangalore urban range for approximately 90 forest employees. They were educated about the importance of oral hygiene practices and demonstrated the proper brushing technique. Moreover, oral screening and treatment was given to the employees.

On the second day (21-07-2023), camp was arranged at Kodihalli range. About 80 foresters were given oral health education and treated subsequently.

### SUMMARY

Department of Public Health Dentistry arranged a two days oral screening and treatment camp at the Bannerghatta National park. **Subject: Appreciation letter for the camp that was conducted on 20/7/23 and 21/7/23 in Bannerghatta National Park for the forest frontline workers**

Respected Sir,  
Greetings from the Rotaract Club of Bangalore JP Nagar!!

With regard to the above subject, we take the opportunity to thank you and appreciate your support for accepting our invitation and conducting dental camp on 20 and 21st of July 2023 in Bannerghatta National Park for our forest frontline workers across two different ranges.

We are thankful for the service and look forward to your support and association in future programs.

Thank you

With Kind Regards,

Dental Camp Inbox x

Geeta SAM 12:04 PM (1 hour ago)  
to me

To,  
The Principal,  
Oxford Dental College, Bommanahalli,  
Bangalore

Dear sir,

Subject: Dental Camp held at Samarthanam school  
for children with intellectual disabilities.

Greetings from Samarthanam Trust for the Disabled

Thank you very much for conducting dental  
awareness and treatment camp for special needs  
students on 25-07-2023. Students watched the  
demonstration of dental hygiene by watching the  
model of cleaning teeth and explained by doctors to  
maintain a good dental health.

I would like to thank the Department of Public Health  
Dentistry and Department of Pediatric and  
preventive dentistry.

I am very grateful to your team for their wonderful  
services rendered to our students and staff.

Look forward your service in the future days too.

With Regards,

Dr. Geetha. K

## ACTIVITY REPORT

**Title :** World Health Day

**Objective :** To provide essential dental care services to the community, specifically focusing on denture delivery.

**Dates:** - 19-01-2024 to 21-01-2024,12-03-2024 to 14-03-2024,28-05-2024 to 30-05-2024

**Venue:** - Chamarajanagar Institute of Medical Sciences at CIMS

**Participants:** - Staff and Postgraduate students

**No. of Participants-** 23

**Organized By:** - Department of Prosthodontics, Crown and Bridge.

### Description :-

In collaboration with Chamarajanagar Institute of Medical Sciences (CIMS), the Department of Prosthodontics at The Oxford Dental College organized a denture camp on 19-01-2024 to 21-01-2024,12-03-2024 to 14-03-2024,28-05-2024 to 30-05-2024 2024. The camp aimed to provide essential dental care services to the community, specifically focusing on denture delivery. Over the course of three days, dentures were successfully delivered to patients in need. This initiative exemplifies a concerted effort to improve oral health outcomes and promote access to dental services within the Chamarajanagara region.

### BRIEF SUMMARY

The Department of Prosthodontics at The Oxford Dental College, Bengaluru, organized a commendable denture camp at Chamarajanagar Institute of Medical Sciences (CIMS) on May 29/05/2024 and 30/05 /2024. The primary focus of the camp was to provide a special emphasis on prosthodontic treatment, culminating in the provision of complete dentures to 22 patients.

The camp was meticulously planned and executed by a dedicated team of professionals consisting of prosthodontists, dental assistants, and support staff. The team's objective was not only to provide prosthetic treatment but also to raise awareness about oral health and the importance of maintaining

good oral hygiene.

The two-day camp witnessed an overwhelming response from the community, with individuals from various age groups seeking dental care. The team conducted thorough examinations and assessments for each patient, identifying the need for complete dentures as the most suitable treatment option. Comprehensive treatment plans were formulated, taking into consideration each patient's unique dental needs and oral health status.

The provision of complete dentures is a transformative and life-changing procedure for individuals who have lost their natural teeth. The team at the camp recognized the impact of providing this essential prosthodontic treatment, not only in terms of oral health but also in restoring patients' confidence and quality of life.

Each patient was provided with personalized care and attention throughout the process, ensuring that their concerns and comfort were given the utmost priority. The prosthodontic team leveraged their expertise and state-of-the-art facilities to fabricate high-quality, customized complete dentures tailored to individual specifications. This personalized approach aimed to optimize the fit, functionality, and aesthetics of the dentures, resulting in an enhanced overall patient experience.

In addition to the prosthetic treatment, the camp placed significant emphasis on patient education. The team conducted interactive sessions and demonstrations on oral hygiene practices, denture maintenance, and the importance of regular dental check-ups. Empowering patients with knowledge and understanding regarding oral health is crucial in ensuring the longevity and efficacy of the dental treatment provided.

Furthermore, the camp served as a platform for fostering collaboration between the dental professionals from The Oxford Dental College and the healthcare providers at Chamarajanagar Institute of Medical Sciences. This collaborative effort not only facilitated the successful organization of the camp but also laid the foundation for continued partnerships aimed at addressing the oral health needs of the local community.

The impact of the camp extended beyond the provision of dental care, as it also showcased the commitment of The Oxford Dental College and its Department of Prosthodontics to community service and oral health advocacy. By reaching out to underserved communities and delivering essential dental care, the camp exemplified the college's dedication to making a meaningful difference in the lives of individuals who lack access to comprehensive dental services.

A post-camp follow-up plan was put in place to ensure ongoing support for the patients who received complete dentures. This included regular follow-up appointments, counseling on adapting

to the new dentures, and addressing any challenges or concerns that may arise during the adjustment period.

The success of the dental camp at Chamarajanagar Institute of Medical Sciences is a testament to the unwavering commitment, professionalism, and compassion exhibited by the entire prosthodontic team from The Oxford Dental College. Their collective efforts not only significantly improved the oral health and well-being of the patients treated but also left a lasting impression on the community.

As the camp concluded, the team reflected on the impact of their work, knowing that they had brought smiles and renewed confidence to the individuals who benefitted from the provision of complete dentures. The experience served as a reminder of the profound impact that proactive dental care can have on the lives of those in need, reinforcing the importance of ongoing community outreach efforts in promoting oral health and well-being.

In conclusion, the dental camp conducted by the Department of Prosthodontics at The Oxford Dental College, Bengaluru, at Chamarajanagar Institute of Medical Sciences was an exemplary endeavor that exemplified the transformative power of dental care. Through the provision of complete dentures and comprehensive oral health education, the camp succeeded in making a meaningful difference, one smile at a time.

Dr. Gayathri Ramesh,  
In-charge Head, Department of Dentistry,  
CIMS, ChamaraJanagar - 571313.

Respected Madam,

Sub: Regarding conducting Denture camp at CIMS, ChamaraJanagar.

With respect to your request letter dated on 06.01.2024 for conducting the denture camp in your institution, the management has consented, and we are ready to conduct the Denture camp from 19.01.2024 to 21.01.2024 coordinating with the department of Dentistry at CIMS, ChamaraJanagar which will be aimed at providing essential dental care to the less privileged members of our community.

The proposed frequency of conducting denture camp once in every 2 months has been considered to maximize our outreach ensuring that a large number of individuals benefit from the provision of dentures.

To make this initiative a success, we are happy to collaborate with your esteemed institution.

Thanking you

Yours faithfully

**Participants:** - Undergraduate Students, Interns and Postgraduate students

**No. of Participants-** 25

**Organized By:** - Department of Prosthodontics, Crown and Bridge

**Description:** - As a part of World Oral Health Day celebrations, Department of Prosthodontics conducted an essay competition on the theme "Artificial intelligence in Dentistry" on 02.04.2024.- Through insightful analyses and innovative perspectives presented in the essays, participants showcased their understanding of the role of technology in shaping the future of dentistry. As the winners were selected based on the quality and relevance of their contributions, the competition underscored the importance of continued exploration and dialogue surrounding advancements in dental technology.

After careful consideration, the judges selected the following winners:

Dr. Hemam Nivedita

**Dr. Lupamudra**

## ACTIVITY REPORT

**TITLE:**World Oral Health Day 2024

**Theme:** - Oral Prosthetic Options for Cancer Patients.

**Objective:** To educate the patient post-surgical care after cancer therapy.

**Dates:** - 19-03-24

**Venue:** - HCG hospital Kalinga Road Bangalore

**Participants:** - Staff and Postgraduate students

**Organized By:** - Department of Prosthodontics, Crown and Bridge.

### **Description:**

The lecture provided attendees with invaluable insights into the challenges faced by cancer patients regarding oral health and prosthetic options available to address these challenges. Dr. Syed Javad Saleem, a renowned expert in the field, shared his expertise and experience, offering practical guidance on selecting appropriate prosthetic devices tailored to the individual needs and circumstances of cancer patients.

**Through case studies, interactive discussions, and demonstrations, participants gained a deeper understanding of the role of prosthetics in restoring oral function, aesthetics, and overall well-being for cancer survivors**

## ACTIVITY REPORT

**Title:**World Oral Health Day 2024

**Theme:** Preservation v/s Preparation Date: - 20<sup>th</sup> March 2024

**Venue:** - 7<sup>th</sup> Floor, The Oxford Dental College And Hospital

**Judge:** - Dr. Champa and Dr. Sushmini

**Participants:** - Postgraduate students, Interns

**No. of Participants-** 14 (Four teams)

**Organized By:** - Department of Prosthodontics, crown and bridge,

Introduction: - Department of Prosthodontics, crown and bridge, The Oxford Dental College On Occasion of world oral health day conducted debate on 20th march 2024. A total of 14 participants of four teams participated.

Winners:-After careful consideration, the judges selected the following winners:

TEAM C: Dr. Vivek, Dr. Varun, Dr. Krishna Prasad, Dr. Anusha S

### **Description:**

The program, conducted on Oral Health Day by Department of Prosthodontics, hosted a debate competition on "Preservation vs. Preparation" in oral health. Teams argued the merits of preventive measures versus intervention-based approaches in maintaining oral health. Participants presented concise arguments, engaged in rebuttals, and showcased their persuasive skills while adhering to debate rules. The event aimed to stimulate critical thinking and dialogue around proactive oral health strategies, fostering awareness and understanding among participants and attendees.

## **REPORT ON THE PROGRAMME ORGANIZED ON “ 1<sup>st</sup> AUGUST 2023”**

### **AGENDA OF THE PROGRAMME:**

To educate and motivate the patient regarding the importance of maintaining oral hygiene.

**TEAM:**

Our team consisted of a faculty member and 11 dentists perusing post-graduation in the Department of Periodontology, The Oxford Dental College, Bangalore.

**DATE AND TIME OF THE VISIT:** 1<sup>st</sup> August 2023

**LOCATION:** The Oxford Dental College, Bommanahalli.

**TARGET POPULATION:** Out patients visiting the dental college

**BRIEF SUMMARY:** Oral hygiene day is celebrated on 1st August in memory of the birth anniversary Dr G B Shankwalkar the founding father of Indian Periodontics. On this occasion, free toothpaste samples were distributed to patients. The Department of Periodontology, The Oxford Dental College, would like to profoundly express gratitude towards the Indian Society of Periodontology and GlaxoSmithKline India Ltd for their support in the conduct of this program.

**REPORT ON THE PROGRAMME ORGANIZED ON “23<sup>rd</sup> FEBRUARY 2024”**

**AGENDA OF THE PROGRAMME:**

To educate and motivate the patient regarding the importance of maintaining gingival health.

**TEAM:**

Our team consisted of a faculty member and 11 dentists pursuing post-graduation in the Department of Periodontology, The Oxford Dental College, Bangalore.

**DATE AND TIME OF THE VISIT:** 23<sup>rd</sup> February 2024

**LOCATION:** The Oxford Dental College, Bommanahalli.

**TARGET POPULATION:** Out patients visiting the dental college

**BRIEF SUMMARY:** National Periodontist day is celebrated on 23<sup>rd</sup> February to mark the official registered status of the society after its foundation. On this occasion, free toothpaste samples were distributed to patients. The Department of Periodontology, The Oxford Dental College, would like

to profoundly express gratitude towards the Indian Society of Periodontology and Dr Reddy's laboratories Ltd. for their support in the conduct of this program.

**REPORT ON THE PROGRAMME ORGANIZED FROM “ 20<sup>th</sup> March 2024 TO 3<sup>RD</sup> APRIL 2024”.**

**AGENDA OF THE PROGRAMME:**

The competition aimed at using this popular method of creating oral health awareness through reels and short films. This competition also channelized and exhibited creative skills of our students.

Theme for reels and short films: Happy Mouth happy Body

**TEAM:**

Our team consisted of a faculty members and 10 teams persuing BDS and MDS, The Oxford Dental College, Bangalore.

**DATE AND TIME OF THE VISIT:** 26<sup>th</sup> March 2024

**LOCATION:** The Oxford Dental College, Bommanahalli.

**TARGET POPULATION:** Out patients visiting the dental college

**BRIEF SUMMARY:** The easiest way in today's digital world to reach out to people and create awareness is through social media. The impact of reels and short clips is tremendous and can be used for the purpose of creating oral health awareness, bearing this idea in mind on 26<sup>th</sup> march 2024 Department of Periodontology conducted reels and short film competition for I, II, III, IV BDS students, interns and postgraduate students. The reels were innovatively planned and executed. They caught attention with interesting concepts that were entertaining, but yet remained true to the motive of creating awareness oral health. The short films were directed with great acumen and the stories unfolded beautifully onscreen.

### Appreciation Letter

Date: 19/03/2024

To,

Sir Dr. Sneha Raj N  
Dr. Amulya  
Dr. Aishwarya  
Dr. Prapti  
Dr. Susanna  
Dr. Julia

Sub: Appreciation for your workshop about general dental health check-up with our Red's Children.

I would like to extend my gratitude and encouragement to all these doctors who are doing their post graduation in the department of Pediatric and preventive dentistry in Oxford Dental collage, Bengaluru. As they organized under the guidance of Dr. Sneha Raj N (staff) to provide general dental check-up with our kids half day on the occasion of World Oral Health Day, they provided the importance of the teeth, how to care through their practical experience. Also they tested the children's teeth and told them to go for further treatment. Children also felt happy by being with each child through their counseling and moral support and encouragement.

I sincerely thank you all for your valuable time and I would expect you in future to give these kinds of talk and motivation to our children.

May God Bless you All!

Yours Fraternally,

Bro. Rayappan SM  
Program Director

## **ACTIVITY REPORT**

**Title:** supportive care in cancer

**Resource Person:** Dr Inara Isani, Program coordinator Prameya Foundation

**Date:** 21/2/2024

**Organizers:** Department of Oral Pathology and Oral Microbiology

**Beneficiaries:** 3<sup>RD</sup> BDS, 4<sup>TH</sup> BDS and Interns

**Venue:** Auditorium, The Oxford Dental College

**Objective:** To create awareness on supportive care in cancer

**Description:** On occasion of National Oral Pathologists' Day, The Department of Oral Pathology, The Oxford Dental College organized a program on supportive care in cancer. Dr Inara Isani, Program coordinator Prameya Foundation addressed the program on awareness of supportive care amongst cancer patients. Total number of 84 participants participated in the program. The program was very informative, followed by active interaction between the guest speaker and the participants. Feedback was collected after the program through Google forms shared by the speaker. The Organizing committee ie the Department of Oral Pathology and students who participated were appreciated for all the efforts put to make the event a great success.

**Program Outcome:** Students were informed about certification program on supportive care in cancer and were also encouraged to enroll for the same.

## ACTIVITY REPORT

### "Mastering Advanced Implantology - A Surgical Workshop"

Title:- Mastering Advanced Implantology - A Surgical Workshop

Objective:- To train dental graduates, post-graduates and practitioners in the essential skills of advanced implantology

Date:- 27th and 28th March 2024

Time - 9.00 am onwards

Location - College Auditorium, The Oxford Dental College

Organised by - Department of Oral and Maxillofacial Surgery

Participants:- Registered participants - students, faculty and practitioners from various colleges and clinics across Asia.

Organising Chairman:- Dr Harish Kumar A, Professor and Head, Department of Oral and Maxillofacial Surgery, The Oxford Dental College

#### Description

The Department of Oral and Maxillofacial Surgery, The Oxford Dental College, organised a 2-day programme, "Mastering Advanced Implantology - A Surgical Workshop" on the 27th and 28th of March, 2024. A total of 132 registrations from undergraduate students, post-graduate students, faculty,

and practitioners from dental colleges and clinics across Asia were received.

The workshop included lectures, live demonstrations and hands-on sessions on advanced implantology

procedures like maxillary sinus lift, ridge augmentation procedure to name a few, by highly experienced

resource persons.

The delegates participated actively in all sessions and benefited from the didactic and demonstrative sessions, ultimately concretising their learnings through hands-on opportunities.

The feedbacks collected from the delegates has been highly appreciative and motivating for the organisers.
