REPORT OF THE PROGRAM

THE OXFORD DENTAL COLLEGE AND HOSPITAL

DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

Department Conducted : PATIENT EDUCATION PROGRAM.

Patient education program was scheduled on 07-03-2024.

The program was attended by patients, postgraduates, intern students.

The program started at 10:00am.

The program explained the various oral hygiene technique, importance of the oral hygiene in day-to-day life. Briefly educated about what are the early sign and symptom of poor oral hygiene, when to visit the dental clinician and how to maintain the good oral hygiene.

The participants were given the certificate of participation for an effective participation and understanding of the topic

BRIEF ABOUT THE LECTURE TOPIC: PATIENT EDUCATION PROGRAM.

Endodontics is concerned with the health, of injuries to, and diseases of dental pulp (nerve) and surrounding structures (tooth, root and bone) including prevention and treatment in dental and patient well-being. The main aim is to preserve a functional tooth and maintain or regenerate healthy supporting tissues.

It also demonstrates how endodontics meets the GDC's principles and criteria for specialist listing. This standard driven transparent approach protects patients, the public, employers, and othersthrough preparation of dentists to deliver high quality, safe, patient, and public centred care as specialists within the health care system.

Subject: Request for Conducting Dental Screening and Treatment Camp

Respected Madam,

Greetings from Grama Panchayat Hosadurga, Kanakapura Taluk.

We have identified a significant need for dental healthcare in the local community, and we believe that this camp would greatly benefit the residents in and around Hosadurga, Kanakapura Taluk.

We propose conducting the Dental Screening and Treatment Camp as per below at Hosadurga General Hospital. The duration of the camp is estimated to be 6 hours, during which we aim to serve approximately 200 individuals in need of dental care.

Please find below details of the camp:

- Date : 14th August
- Time: 10 am to 3 pm
- Location: Hosadurga, Kanakapura Taluk
- Expected number of participants: 200

Thank you for your consideration, and we look forward to the possibility of conducting the Dental Screening and Treatment Camp at Hosadurga General Hospital.

Thank you

Panchayat Representative Officer

Greetings from Viswa Bharathi Matric HR Secondary School,
Bedraplli, Hosur ,Tamil Nadu, 635126

We take this opportunity to thanks the entire team of Oxford
for conducting a Dental camp in our school on 27th October
2023.

The camp has helped our students understand the importance
of oral hygiene better.

We once again thank for your support and co operation
extended by your organization. We look forward for other such
programs that can be conducted in the near future.

Thanking you

With regards

Shanta

Respected Dr. Ramesh,

I hope this email finds you well. This is Saurabh and I am writing this email on behalf of BOSCH Corporate Social Responsibility (CSR) with the intent of collaborating with the prestigious Oxford Dental College. We are keen to jointly organize a dental camp in Huskur Village, addressing the pressing need for quality dental care in the region.

Huskur Village, being a somewhat distant locale, has long faced challenges in accessing comprehensive dental services. The lack of nearby dental facilities and limited awareness of oral health have been barriers to the residents' well-being. We believe that by combining the strengths and resources of The Oxford Dental College and BOSCH CSR, we can make a significant positive impact on the dental health of the villagers.

The primary objectives of this proposed camp would include:

1. Offering basic dental screenings for the villagers.
2. Educating the community about the significance of oral hygiene.
3. Guiding individuals on best practices for daily dental care.
4. Providing essential treatments or further referrals as needed.

For the successful execution of this camp, our resources are at your disposal. Additionally, we will work closely with the local authorities and volunteers to ensure smooth operations. We are hopeful that The Oxford Dental College will recognize the value of this collaborative endeavor and grant its esteemed partnership for the same.

Thanking you in advance for considering this initiative.

That said, I request you to share logo of The Oxford Dental college with us for the communications.

Best regards,

Saurabh Gupta

To
The Principal,
Oxford Dental College
Bangalore

Dear Sir,

Rotary club of Bangalore is organising a medical & Dental camp for the Tribal families and children in Bandipur on 7 Nov. 2023 between 10 am till 3 pm.

We will be screening about 500 children in two schools and their parents as well as other local residents there.

We would like to request you to please support us for the same.

We will require 2-3 dental students/ interns along with basic equipment like mouth mirrors and probes, torches and gloves to screen about 500 children and 500 adults. There is a prevalence of oral cancers in that region.

We can look at organising transport to Bandipur and food expenses for the participants.

Please let us know if you will be able to participate in this camp.

Thank you

Best Regards,
Dr. Anju Agadi

14/01/2024

SUB: Requesting for dental camp.

Scholastic Abacus, founded in 2006, has evolved into a significant force in abacus education, impacting over 30,000 students in Karnataka. Committed to excellence, it provides cost-friendly programs, ensuring quality education through a dedicated team.

Announcing the 6th State-level Abacus/Vedic Math competition, Scholastic Abacus showcases its dedication to fostering mathematical skills. From 50,000 students, 6000 have been selected for the event on **21/01/2024 at N S Palace, Bengaluru.**

Beyond competitions, Scholastic Abacus reaches 30,000 students in classes with support from 12 franchises. Nine esteemed companies actively participate in this year's competition. Honored with the Kempegowda award in 2018 and the Universal Icon Women Achiever Award in 2023, Scholastic Abacus is dedicated to education and skill development. It provides free Abacus education at Spatikapuri Academy, positively impacting communities. Expanding its programs, Scholastic Abacus offers handwriting improvement, Vedic math, and Rubik's cube workshops. It's now venturing into personality growth and career counseling for 9th and 10th graders, guiding students toward successful career paths.

Recognizing Oxford Dental College's commitment to community well-being, we are reaching out to request your sponsorship for a free dental camp at our upcoming competition. This initiative aims to create oral hygiene awareness to the participants and attendees, contributing to their overall well-being. Your support will not only enhance the success of our event but also align your esteemed institution with a cause that prioritizes education and community health. We believe that this collaboration can make a meaningful difference in the lives of the participants and the community at large. We are enthusiastic about the possibility of partnering with Oxford Dental College and would be grateful for the opportunity to discuss this further. Thank you for considering our request.

Thank you.

Subject: Gratitude for Conducting Dental Camp at State Level Scholastic Abacus Competition

I am writing to extend our heartfelt gratitude for your invaluable contribution to the success of the State Level Scholastic Abacus Competition held on 21/01/2024. Your presence and dedication in conducting the dental camp significantly enhanced the overall experience for all participants.

We are especially grateful for the expertise and commitment of Dr. Roopashree H S and Dr. Anupama Mohan. Their professionalism and compassion in providing dental care to the attendees were truly commendable. Their efforts not only ensured the oral health and well-being of the participants but also contributed to promoting awareness about dental hygiene and preventive measures.

The dental camp organized by the Department of Public Health Dentistry played a pivotal role in ensuring the holistic well-being of the participants, reflecting your institution's commitment to community service and healthcare excellence.

Once again, we extend our sincere appreciation to the entire team at The Oxford Dental College for their valuable support and participation. We look forward to the opportunity of collaborating with you on future endeavors.

Thank you for your unwavering dedication and contribution to the success of the event.

Warm regards,

Nirmal Kumar
Management Head

Respected Sir,

We the team, from Chikkaballapur Territorial Division Forest Office would like to formally invite you to conduct an oral screening and treatment camp in our premises.

We are aware of your great service to the community through other sources like RFO, Banerghatta and word of mouth. Moreover, we are well versed with the achievements of the Dept of Public Health Dentistry in promoting oral health even in the remote parts of Bengaluru. We would like to propose 23/01/24 as the convenient date for conducting the dental camp. Waiting for a positive reply from you.

Regards,

Deputy Conservator of Forests,
Chikkaballapur Division. Territorial
Chikkaballapur.

Subject: Requesting Support for Health Camp at "Government post matric categorised college girl students home" on February 2024

Respected Dean,

Season Greetings from Dr. Sandhya Health Foundation!!!

I hope this letter finds you in good health and high spirits.

I am Ashok, Executive Director of Dr. Sandhya Health Foundation, writing to you, requesting support for Health Camp at Government post matric categorised college girl students home.

Our foundation has been actively involved in organizing health awareness programs and camps to contribute to the well-being of the community, particularly girl children aged from 8 to 21 years.

We are planning to organize a health camp for 154 girl children at Government post matric categorised college girl student home on February 24, 2024, focusing on "Dental Screening" for girl children residing at this home.

In this regard, we are reaching out to "The Oxford Medical College, Hospital & Research Centre", a renowned institution for healthcare excellence, to seek your support for this noble cause.

The event is scheduled as below:

Date: February 24, 2024

Time: 9:30 am onward

Venue: Government post matric categorised college girl students home,
Haralur Phase -2 (Hosur Road), Bangalore – 560068.

We request you to consider and kindly confirm your support at your earliest. Your commitment to this initiative would be appreciated and acknowledged during the event.

Sincerely,

Ashok,
Executive Director,
Dr. Sandhya Health Foundation.

Respected Sir/Madam

Subject: Request for Health Camps in Anandapuram and Mayabazar – reg

IHMR, Bangalore along with our partner organization HCL Foundation (Funder) are working on a CSR project "Strengthening 1st 1000 days and Early Childhood Care and Development (ECCD) in Urban Slums of Bangalore". This program focuses on underprivileged communities living in the urban slums of Bangalore namely Maya Bazar and Anandapuram. As part of the program, 3 crèches are being run in the project locations covering 6-month to 3-year children. In total, there are 75 children enrolled in the creches. Besides, the program engages parents of children, pregnant women, and lactating mothers in both communities. As part of our efforts to ensure the holistic well-being of the community members, we are planning to organize health camps in Anandapuram and Mayabazar on 3rd and 10th March, 2024. Considering the importance of dental screening in these vulnerable communities, I request your team to support us on these two days in screening the complete population including children. The total population in Anandapuram is approx. 5000 and Maya Bazar is approx. 2000.

We would sincerely appreciate it if you could confirm your team availability and block 3rd and 10th March, 2024 for the dental camp.

We look forward to your positive response. For any information, please feel free to contact me.

Thanks & Regards

Dr. R. Sarala

Dear team

Greetings!!

On behalf of IIHMR, Bangalore, and our esteemed partner organization HCL Foundation, I extend our sincerest gratitude for your unwavering support and commitment to our CSR project, "Strengthening 1st 1000 days and Early Childhood Care and Development (ECCD) in Urban Slums of Bangalore."

Your willingness to collaborate with us for the health camps which was scheduled on March 3rd and March 10th, 2024, in Anandapuram and Mayabazar, is immensely appreciated. Given the vulnerable nature of these communities, your expertise in dental care undoubtedly made a significant impact on the lives of the residents which ensured the smooth execution and success of these initiatives, benefiting numerous individuals in need. Your support in screening the complete population, including children, reflects your dedication to serving those in need.

Once again, thank you for your generosity and commitment to contribute to this noble cause. We eagerly look forward to collaborate with you and your team not only for these health camps but also for future endeavours.

Respected Sir,

Subject: Permission to conduct program in Jayadeva Institute of Cardiology premises.

We from the Oxford Dental College are conducting various events on the occasion of World Oral Health Day 2024.

With regard to the subject above, we are planning to conduct a free screening camp along with an awareness program in the form of Skit and flash mob in the Jayadeva Hospital premises on 28/03/2024. This is mainly for the patients and general public to create awareness about oral health and its importance in general health. The timings will be between 10.30 am to 2 pm.

I kindly request you to permit for the same.

Thanking you

Subject: Request for Dental Screening Camp

Dear Madam,

Greetings from the department of Public Health Dentistry.

The role of this department is

- To educate the people on the prevention and control of oral diseases.
- Promoting the various bench marks of oral health.
- Implementing, managing and developing accessible resources for oral health programs.

With respect to the subject above we are interested in organizing a dental health check up camp for the employees in your company. As per our prior conversation we confirm the camp schedule on 07/12/2023 between 10 am to 2.30 pm. The need of the hour is to create awareness about the healthy life style and self care. We also propose to give an oral health awareness talk* regarding the maintenance of oral hygiene for all the people working in your place. So we require your assistance and co operation towards the same.

We are looking forward for your favorable response. Kindly give us the permission and oblige.

Note: *If provision is available for Powerpoint presentation

Thanking you

Best regards

Activity report

Title: Chintalamadivala Village Camp

Objective: Oral Health Awareness and treatment camp

Date: 15.07.2023**Time:** 10:30 am – 1:30pm

Location: Chintalamadivala Village, Huskur, Bangalore

Organized by: Department of Public Health Dentistry

Participants: Faculty, Interns

No. of people screened: 90

Method adapted:

Description: On the day (15.07.2023), an oral screening and treatment camp was arranged in the Chintalamadivala Village. First Dr. Rachana educated the school children about the importance of oral hygiene practices and Dr. Prashma demonstrated the proper brushing techniques. Only screening was done for school children and referral cards were given for those who needed treatment. Then screening and treatment was given for the villagers who were present. About 90 people participated.

Title: Overseas Career Counseling

Objective: Overseas Career Counseling for interns and undergraduates

Date: 22.08.2023 **Time:** 10:00 am –11:15am

Location: Auditorium, The Oxford dental college, Bangalore

Organized by: Dept of Public Health Dentistry

Participants: Faculty, Interns, Undergraduate students

Description: On 22nd August, the Department of Public Health Dentistry in association with IDP and IELTS, conducted a talk on “Overseas Career Counseling”. The speakers of the program were Mr. Binoy Sarkar and Ms. Aishwarya from IDP. Around 10.00 am, the program was started with the welcome speech by Dr. Bhavana, Intern. After the welcome speech, Dr. Ramesh N, Head of the Department, Department of Public Health Dentistry gave a brief talk on the importance of overseas career counseling to the Interns and undergraduates. Mr. Binoy Sarkar, Strategic Alliance Manager at IDP, gave brief talk about overseas education and career prospects. Then Ms. Aishwarya, Senior consultant at IDP, explained about the examinations, scholarships and funding approaches to the various global universities. After the counseling session, vote of thanks was given by Dr. Vinod Kumar, Senior lecturer, Department of Public Health Dentistry. Saplings were given to the speakers as a token of appreciation.

Title: Camp at Bannerghatta National park

Objective: Oral Health Awareness and treatment camp

Date: 20.07.2023

21.07.2023

Time: 8:30am – 5:00pm

Location: Bannerghatta National Park, Bangalore

Organized by: Department of Public Health Dentistry

Participants: Faculty, Post-graduate students, Interns

No. of people screened: Day 1- 93, Day 2 - 66

Description: The Department of Public Health Dentistry arranged a two days oral screening and treatment camp at the Bannerghatta National park. On the first day (20-07-2023), camp was held at Bangalore urban range for approximately 90 forest employees. They were educated about the importance of oral hygiene practices and demonstrated the proper brushing technique. Moreover, oral screening and treatment was given to the employees.

On the second day (21-07-2023), camp was arranged at Kodihalli range. About 80 foresters were given oral health education and treated subsequently.

Subject: Request for conducting Dental Screening and Treatment Camp

Respected Madam,

Greetings from the Rotaract Club of Bangalore JP Nagar!!

We are a dynamic group of young individuals committed to making a positive impact in our community. Through service, leadership, and fellowship, we strive to address the needs of our community, create lasting change, and develop strong leaders.

We are looking to conduct a Dental Screening and Treatment Camp for the forest frontline staff at the Bannerghatta National Park. The Bannerghatta National Park is spread across 260 square kms and is divided into 4 wildlife ranges (Anekal, Bannerghatta, Harohalli and Kodihalli), with 220 staff who work tirelessly day and night, to protect the jungle.

Please find below details of the Camp:

- Date: 20th and 21st July 2023
- Time: 10 am to 3 pm
- Location: Bannerghatta National Park
- Expected number of participants: 220

We have obtained the required permission from the Assistant Conservator of Forest (ACF) – Bannerghatta National Park, to conduct the Dental camp on the above-mentioned dates.

Requesting your support for our initiative by providing us with the required material/equipment and the students/interns/faculty of your esteemed institution, for the smooth conduct of the Dental camp.

Looking forward to your positive response.

With Kind Regards,

Request to facilitate a dental Camp Inbox x

G Geeta SAM
to me

Dear sir,

Samarthanam Trust for the Disabled is a non-profitable organization working towards strengthening children, youth and underprivileged by providing quality education, skilling, arts and culture, etc. There are 3 schools functioning under Samarthanam Trust, in HSR layout. Hence, I request your students and staff of Special school in the month of July 2023. The strength will be around 10. Kindly oblige and do the needful.

With Regards,

Dr. Geetha. K

To,
The Principal,
Oxford Dental College, Bommanahalli,
Bangalore

Dear sir,

Subject: Dental Camp held at Samarthanam school for children with intellectual disabilities.

Greetings from Samarthanam Trust for the Disabled

Thank you very much for conducting dental awareness and treatment camp for special needs students on 25-07-2023. Students watched the demonstration of dental hygiene by watching the model of cleaning teeth and explained by doctors how to maintain a good dental health.

I would like to thank the Department of Public Health Dentistry and Department of Pediatric and preventive dentistry.

I am very grateful to your team for their wonderful services rendered to our students and staff.

Look forward your service in the future days too.

With Regards,
Dr. Geetha. K

Dr. Gayathri Ramesh,
In-charge Head, Department of Dentistry,
CIMS, Chamarajanagar - 571313.

Respected Madam,

Sub: Regarding conducting Denture camp at CIMS, Chamarajanagar.

With respect to your request letter dated on 06.01.2024 for conducting the denture camp in your institution, the management has consented, and we are ready to conduct the Denture camp from 19.01.2024 to 21.01.2024 coordinating with the department of Dentistry at CIMS, Chamarajanagar which will be aimed at providing essential dental care to the less privileged members of our community.

The proposed frequency of conducting denture camp once in every 2 months has been considered to maximize our outreach ensuring that a large number of individuals benefit from the provision of dentures.

To make this initiative a success, we are happy to collaborate with your esteemed institution.

Thanking you

Yours faithfully

Title: Dental Camp on behalf of prosthodontistday atChamarajanagar Institute of Medical Sciences

The Department of Prosthodontics on behalf of prosthodontistday organized a commendable denture camp at Chamarajanagar Institute of Medical Sciences (CIMS) on January 20th and 21st, 2024. The primary focus of the camp was to provide a special emphasis on prosthodontic treatment, culminating in the provision of complete dentures to 23 patients.

The camp was meticulously planned and executed by a dedicated team of professionals consisting of prosthodontists, dental assistants, and support staff. The team's objective was not only to provide prosthetic treatment but also to raise awareness about oral health and the importance of maintaining good oral hygiene.

The two-day camp witnessed an overwhelming response from the community, with individuals from various age groups seeking dental care. The team conducted thorough examinations and assessments for each patient, identifying the need for complete dentures as the most suitable treatment option. Comprehensive treatment plans were formulated, taking into consideration each patient's unique dental needs and oral health status.

The provision of complete dentures is a transformative and life-changing procedure for individuals who have lost their natural teeth. The team at the camp recognized the impact of providing this essential prosthodontic treatment, not only in terms of oral health but also in restoring patients' confidence and quality of life.

Each patient was provided with personalized care and attention throughout the process, ensuring that their concerns and comfort were given the utmost priority. The prosthodontic team leveraged their expertise and state-of-the-art facilities to fabricate high-quality, customized complete dentures tailored to individual specifications. This personalized approach aimed to optimize the fit, functionality, and aesthetics of the dentures, resulting in an enhanced overall patient experience.

Website: www.theoxford.edu

In addition to the prosthetic treatment, the camp placed significant emphasis on patient education. The team conducted interactive sessions and demonstrations on oral hygiene practices, denture maintenance, and the importance of regular dental check-ups. Empowering patients with knowledge and understanding regarding oral health is crucial in ensuring the longevity and efficacy of the dental treatment provided.

Furthermore, the camp served as a platform for fostering collaboration between the dental professionals from The Oxford Dental College and the healthcare providers at Chamarajanagar Institute of Medical Sciences. This collaborative effort not only facilitated the successful organization of the camp but also laid the foundation for continued partnerships aimed at addressing the oral health needs of the local community.

The impact of the camp extended beyond the provision of dental care, as it also showcased the commitment of The Oxford Dental College and its Department of Prosthodontics to community service and oral health advocacy. By reaching out to underserved communities and delivering essential dental care, the camp exemplified the college's dedication to making a meaningful difference in the lives of individuals who lack access to comprehensive dental services.

A post-camp follow-up plan was put in place to ensure ongoing support for the patients who received complete dentures. This included regular follow-up appointments, counseling on adapting to the new dentures, and addressing any challenges or concerns that may arise during the adjustment period.

The success of the dental camp at Chamarajanagar Institute of Medical Sciences is a testament to the unwavering commitment, professionalism, and compassion exhibited by the entire prosthodontic team from The Oxford Dental College. Their collective efforts not only significantly improved the oral health and well-being of the patients treated but also left a lasting impression on the community.

As the camp concluded, the team reflected on the impact of their work, knowing that they had brought smiles and renewed confidence to the individuals who benefitted from the provision of complete dentures. The experience served as a reminder of the profound impact that proactive dental care can have on the lives of those in need, reinforcing the importance of ongoing community outreach efforts in promoting oral health and well-being. In conclusion, the dental camp conducted by the Department of Prosthodontics at The Oxford Dental College, Bengaluru, at Chamarajanagar Institute of Medical Sciences was an exemplary endeavor that exemplified the transformative power of dental care. Through the provision of complete dentures and comprehensive oral health education, the camp succeeded in making a meaningful difference, one smile at a time.

Title: Successful Dental Camp at Chamarajanagar Institute of Medical Sciences

The Department of Prosthodontics at The Oxford Dental College, Bengaluru, organized a commendable denture camp at Chamarajanagar Institute of Medical Sciences (CIMS) on May 29/05/2024 and 30/05/2024. The primary focus of the camp was to provide a special emphasis on prosthodontic treatment, culminating in the provision of complete dentures to 22 patients.

The camp was meticulously planned and executed by a dedicated team of professionals consisting of prosthodontists, dental assistants, and support staff. The team's objective was not only to provide prosthetic treatment but also to raise awareness about oral health and the importance of maintaining good oral hygiene.

The two-day camp witnessed an overwhelming response from the community, with individuals from various age groups seeking dental care. The team conducted thorough examinations and assessments for each patient, identifying the need for complete dentures as the most suitable treatment option. Comprehensive treatment plans were formulated, taking into consideration each patient's unique dental needs and oral health status.

The provision of complete dentures is a transformative and life-changing procedure for individuals who have lost their natural teeth. The team at the camp recognized the impact of providing this essential prosthodontic treatment, not only in terms of oral health but also in restoring patients' confidence and quality of life.

Each patient was provided with personalized care and attention throughout the process, ensuring that their concerns and comfort were given the utmost priority. The prosthodontic team leveraged their expertise and state-of-the-art facilities to fabricate high-quality, customized complete dentures tailored to

Program Overview

The program, conducted on Oral Health Day by Department of Prosthodontics, hosted a debate competition on "Preservation vs. Preparation" in oral health. Teams argued the merits of preventive measures versus intervention-based approaches in maintaining oral health. Participants presented concise arguments, engaged in rebuttals, and showcased their persuasive skills while adhering to debate rules. The event aimed to stimulate critical thinking and dialogue around proactive oral health strategies, fostering awareness and understanding among participants and attendees.

World Oral Health Day 2024

Report on Denture Camp

Dates: - 13-03-2024 and 14-03-2024

Venue: - Chamarajanagar Institute of Medical Sciences at CIMS

Participants: - Staff and Postgraduate students

No. of Participants- 23

Organized By: - Department of Prosthodontics, Crown and Bridge.

Introduction :- Department of Prosthodontics, The Oxford Dental college, on occasion of World Health Day conducted a denture camp in association with Chamarajanagar Institute of Medical Sciences at CIMS, Chamarajanagara for two days i.e. 13/03-14/03/2024.

Program Overview

In collaboration with Chamarajanagar Institute of Medical Sciences (CIMS), the Department of Prosthodontics at The Oxford Dental College organized a denture camp on March 13th and 14th, 2024, coinciding with World Health Day. The camp aimed to provide essential dental care services to the community, specifically focusing on denture delivery. Over the course of two days, a total of 21 dentures were successfully delivered to patients in need. This initiative exemplifies a concerted effort to improve oral health outcomes and promote access to dental services within the Chamarajanagara region.

Program Overview

In commemoration of World Oral Health Day, the Department of Prosthodontics organized an essay competition on April 2nd, 2024, focusing on the theme "Artificial Intelligence in Dentistry." This competition served as a platform for participants to explore the intersection of technology and oral healthcare, encouraging discourse on the potential applications, benefits, and ethical considerations of artificial intelligence in the field of dentistry. Participants were invited to submit essays reflecting their insights, analyses, and perspectives on this innovative topic. The competition aimed to stimulate critical thinking, promote awareness of emerging trends in dental technology, and inspire dialogue among dental professionals, researchers, and students. Winners were selected based on the quality of their essays, including originality, clarity, depth of analysis, and adherence to the theme. Through this initiative, the Department of Prosthodontics contributed to advancing knowledge and understanding of the transformative role of artificial intelligence in oral healthcare.

Conclusion:-

Through insightful analyses and innovative perspectives presented in the essays, participants showcased their understanding of the role of technology in shaping the future of dentistry. As the winners were selected based on the quality and relevance of their contributions, the competition underscored the importance of continued exploration and dialogue surrounding advancements in dental technology.

Website: www.theoxford.edu

Program Overview

On March 23rd, 2024, in commemoration of World Oral Health Day, the Department of Prosthodontics, Crown and Bridge at The Oxford Dental College organized an educational program focused on nutrition for geriatric patients. During this event, patients visiting the Outpatient Department (OPD) received comprehensive education on the critical role of nutrition in maintaining oral health. The program aimed to raise awareness among geriatric patients about the importance of proper nutrition in preventing oral health issues and supporting overall well-being. Through interactive

sessions and informative materials,

attendees were empowered to make informed dietary choices conducive to optimal oral health outcome.

The program commenced with an introduction to the significance of World Oral Health Day, emphasizing the theme of nutrition and its pivotal role in maintaining oral health, particularly for elderly individuals.

Speakers, including faculty members specializing in prosthodontics and nutritionists, delivered informative sessions highlighting the importance of essential nutrients such as calcium, vitamin D, and vitamin C in promoting dental health.

Conclusion

By providing comprehensive information, personalized counseling, and fostering active participation, the event contributed to promoting awareness and empowering elderly individuals to prioritize their dietary choices for improved oral health outcome.

Activity report

Oral And Maxillofacial Surgeons Day

Title – diagnosis in oral surgery

Objective-to educate the audience about diagnosing oral cancer amongst the population and spread awareness about oral cancer

Time-10 am

Organised by- department of oral and maxillofacial surgery

Audience-undergraduates,post graduates and staff

Organiser- drnandanrudrapaul

Method used-lectures

Description

The Department of Oral And Maxillofacial Surgery organised a programme to commemorate “Oral and Maxillofacial Surgeon’s day” on the account of birth anniversary of the founding father of oral and maxillofacial surgery Dr Ginwalla on 13th of february 2024. The programme was inaugurated by Dr PriyaSubramaniam,Principal.

Dr Sushma Mehta a renowned Oral and Maxillofacial oncosurgeon currently working at Rangadore Memorial Hospital,Bangalore and also at HCG cancer institute Bangalore graced the ocasasion with a talk on diagnosis in oral oncology. Students actively interacted with the speaker and made the event a resounding success. The organising committe and students who participated were appreciatedfor all the efforts put to make the event a great success.

Website: www.theoxford.edu

March, 2024. A total of 132 registrations from undergraduate students, post-graduate students, faculty,

and practitioners from dental colleges and clinics across Asia were received.

The workshop included lectures, live demonstrations and hands-on sessions on advanced implantology procedures like maxillary sinus lift, ridge augmentation procedure to name a few, by highly experienced resource persons.

The delegates participated actively in all sessions and benefited from the didactic and demonstrative sessions, ultimately concretising their learnings through hands-on opportunities.

The feedbacks collected from the delegates has been highly appreciative and motivating for the organisers.

Letter of Appreciation

We highly appreciate and are extremely thankful to Dr. Sneha Raj N (Staff), Dr. Prapti, Dr. Amulya, Dr. Aishwarya, Dr. Susaana (postgraduate students) and Dr. Dinesh, Dr. Prasad (interns) and their team from the department of Pediatric and Preventive dentistry of the Oxford Dental College for arranging the voluntary dental checkup and oral health awareness on the occasion of world oral health day on 12/March/2024 at Aaganwadi branch 1 (Hongasandra).

Postgraduate students and their team did a complete oral checkup for each individual student. At the end of the session the doctor and her team educated students on "oral hygiene" and gave a health talk on how to maintain oral hygiene by proper brushing technique, tongue cleaning method, dietary habits and how to accomplish proper dental care.

We thank you for organizing the dental checkup and educating importance of dental health for students.

With warm regards

To,

Sir Dr. Sneha Raj N

Dr. Amulya
Dr. Aishwarya
Dr. Prapti
Dr. Susanna
Dr. Julita

Sub: Appreciation for your workshop about general dental health check-up with our Reds Children.

I would like to extend my gratitude and encouragement to all these doctors who are doing their post graduation in the department of Pediatric and preventive dentistry at Oxford Dental collage, Bengaluru. As they organized under the guidance of Dr. Sneha Raj N (staff) to provide general dental check-up with our kids half day on the occasion of World Oral Health Day. they provided the importance of the teeth, how to care through their practical experience. Also they tested the children's teeth and told them to go far further treatment. Children also felt happy by being with each child through their counseling and moral support and encouragement.

I sincerely thank you all for your valuable time and I would expect you in future to give these kinds of talk and motivation to our children.

May God Bless you All!

Yours Fraternally,

Bro. Rayappan SM.

ACTIVITY REPORT

THE OXFORD DENTAL COLLEGE

Bommanahalli ,Hosur Road , Bengaluru 560068

DEPARTMENT OF ORAL PATHOLOGY AND MICROBIOLOGY

“SUPPORTIVE CARE IN CANCER “

Title: supportive care in cancer

Resource Person:DrInaralsani, Program coordinator Prameya Foundation

Date: 21/2/2024

Organizers: Department of Oral Pathology and Oral Microbiology

Beneficiaries: 3RD BDS, 4TH BDS and Interns

Venue: Auditorium, The Oxford Dental College

Objective: To create awareness on supportive care in cancer

Description: On occasion of National Oral Pathologists' Day, The Department of Oral Pathology, The Oxford Dental College organized a program on supportive care in cancer. DrInaralsani, Program coordinator Prameya Foundation addressed the program on awareness of supportive care amongst cancer patients .Total number of 84participants participated in the program. The program was very informative, followed by active interaction between the guest speaker and the participants. Feedback was collected after the program through Google forms shared by the speaker. The Organizing committee ie the Department of Oral Pathology and students who participated were appreciated for all the efforts put to make the event a great success.

Program Outcome: Students were informed about certification program on supportive care in cancer and were also encouraged to enroll for the same.

Report on

Alumni Get-together - Potluck

The alumni association made an initiative to bring in all the old students from different batches and have a get-together. After discussion this idea shaped in the form of **POTLUCK**. The details of the event are as below.

Date :28/02/2024

Venue :Oral Medicine and Radiology seminar room.

Time: 12:30 to 1:30 PM

Guests :- Principal, Vice-Principal, Alumni members and other faculty.

Event :Memb secretary Dr Asha , Associate Professor (Dept of Oral Medicine and Radiology).welcomed all the guests. Approximately 20 Alumni members currently working as faculty were given particular responsibility of bringing food and consumables for the event. The menu included starters, main course and desserts.. It was concluded on a happy note with everyone speaking a few heart-felt words about the event.
