The objective of leadership and governance and is implemented by vision and mission, goals and objectives. Our vision is to set the standard of excellence in defining the future of dental education, practice, and research. Under the tutelage of highly trained committed faculty, the student acquires a foundation for the effective practice of dentistry. Education is imparted in an ethical and professional environment in which students are trained to render optimal oral health care to patients from diverse backgrounds. We place emphasis on the overall personality development of the students to excel academically, clinically and in the field of research. The institution believes in decentralization of administration for efficient management. The college has a constituting committee with both teacher and student members. The committee is framed to meet every aspect of learning, teaching, administration, culture, sports and overall development of staff and students. Committees like PG studies committee, UG studies committee, Scientific and Research committee, cultural and physical education. The committee is well represented by a mixture of junior and senior faculty members. Students are an integral part of various committees that formulate and bring into practice various academic and welfare programs in the institution.

Participation of teachers in decision making bodies

Teachers are members of the Academic Council, IQAR Committee, IQAC Committee, chairmen, principals, head of department, and all the committees of the institution have drafted and

described the vision and mission of the college. Starting from deciding the work plan, activities related to the syllabus, identifying and conducting of various certificate courses, life skills program teachers have been given the freedom to propose various activities,

Institution Perspective Plan:

1. To intensify activities for the holistic development of students through well-planned extension activities
2. To strengthen National Values and intensify NSS
3. To sensitize students and create more awareness of current social issues like SwachBharath, AIDs,
4. To strongly support women empowerment activities including sexual harassment elimination and to strengthen Grievance Redressal Cell.
5. To start many more Post Graduate courses and PhD courses
6. To strengthen Institutional Research centers

Vision and mission impart quality education that will imbibe, commitment, confidence, conviction, courtesy, and courage in students and provide them with values, knowledge, and

skills to treat dental disease. To become an institute of excellence in dental education and to bring out quality dental practitioners who will be an asset to society.

The college has introduced the principle of decentralization and participative management since inception and has an effective governing structure. At the apex level it has a **Board of Management**, consisting of the Chairman, CEO / Director and other members of the trust. It reviews the functioning of the college in all its quality parameters through the Governing Council. It is also responsible to cater to the needs and overall development of the college.

The Principal is the Chairman of IQAR, Head of the department, postgraduate and all staff have implemented Vision and Mission components of the Institution and departments. He monitors academic and other activities and ensures overall quality and academic excellence of the institution as per the rules and regulations laid by the guidelines of management. IQAC and head of departments committees, ug committees, and student welfare committee initiate the activities starting from deciding the work plan, activities related to syllabus, identifying and conducting various certificate courses, life skills Programs etc. Suggestions from the faculty are solicited for further improvement.

The Principal is ably assisted by Vice-Principal and together, they execute and monitor five important components, viz.

- (a) Academics
- (b) Administration
- (c) Examinations
- (d) Human Resources, and

(e) Research

The IQAR is assisted by seven Criteria heads as the coordinators at the institutional level. The coordinators along with other Committees ensure smooth conduct of the day-to-day affairs of the college. For instance, the Anti-ragging committee inspires senior students to maintain friendly behavior with the juniors sans ragging activities and ensure cohesive harmony in the campus. Similarly, the Sports Committee takes ensures active participation of more number of students in all the sports activities. Different Committees are formed depending upon the exigencies of the institution.

The College administrative system is decentralized with the active participation of all members and ensures dissemination of information at all levels of the hierarchy. This is made possible as the roles and responsibilities the members of the Committees are well defined. The members are provided with the necessary inputs. The Management assigns the work to each Committee, identifies the hurdles in implementation and provides the necessary resources to accomplish the assigned tasks. The team members Cooperate and coordinate effectively. Each committee adheres to a set procedure and functions within the parameters of the policies, rules and regulations of the institute.
