Library is automated using Integrated Library Management System

“TODC library and information centre caters to ever changing needs of students and faculty in sync with the vision and mission of the College. It has introduced rapid changes in the functioning of the library through automation so as to be aligned with advent of latest technology in library sciences. This has helped users greatly.

College Library is designed with a lot of care, giving adequate attention to the need of both faculty and students. It has vast collection of textbooks, reference books and good number of International / National Journals, Newspapers, Magazines. Library provides electronic resources (E-Journals, E-Books, E-Question Papers) facility. It is fully automated duly installed with e- Libsoft 9.5.0 version library software. It facilitates acquisition, cataloguing, circulation, procurement of books, serial control modules and Online Public Access Catalogue (OPAC). All the library resources are bar-coded and books are issued to users by reading the barcode. It's a simplified package, absolutely user-friendly, which requires minimum user interaction and features interactive data handling for storing backup etc.

It is an easy and effective software for maintenance of books, journals and users. The system finds the status of books or users automatically and eases the circulation process accordingly. It contains enhanced, simplified search facility which can locate books and identify users effectively through OPAC. Cataloguing module facility of the software helps for catalogue books, articles, and serial publications. It's also used for statistical analysis required for library management system such as weekly transitions, most issued items, less issued items, most book borrowed user etc.

JUNO ERP has been integrated and implemented from Aug 2022 in the central Library. It is an easy and effective software for maintenance of books, journals and users. The system finds the status of books or users automatically and eases the circulation process accordingly. It contains enhanced, simplified search facility which can locate books and identify users effectively through OPAC.

The Library & Information Centre has in area of around 8,556 sq ft, which is well equipped with comfortable furniture. The Library building is well planned. It has sufficient Ventilation and Lighting and enough space to house all the sections like,

6. Issuing Service

The screenshot displays a library management system interface. At the top, there are navigation menus: 'Members', 'Catalogue', 'Issue-Return', 'Digital Library', 'Book Bank', 'Reports', 'Book Binding', and 'Library Purchase'. Below these, a dashboard shows various counts: Total Media Count (8,219), On Shelf Count (8,140), Issued Count (5), Possible Return Count (10), Member Visit Count (4), and Actual Return Count (1). A large 'Issuing services' title is prominently displayed. Below the title, there are options for 'Select Rule Type' (Regular, Exam) and 'Select Transaction Type' (With Bar codes, Without Bar codes). A table shows membership details for a student named V Sneha viswanathan, including 'Max Days Allowed' (7 Days), 'Max Books Allowed' (2), 'Re-Issue Max Days Allowed' (7 Days), and 'Membership expire on' (31-Dec-2024). At the bottom, there is a 'Transaction Details' section with fields for Member Id, Accession no., Barcode, Issue Date, and Return Date. A note indicates that holidays will be included in the return date. The bottom of the screen shows a 'GPS Map Camera' overlay with a map of Bengaluru, Karnataka, India, and the following address and coordinates: 'Bengaluru, Karnataka, India', '6, 7th Main Rd, near Oxford College, Line, Bengaluru, Karnataka 560068, India', 'Lat 12.900119°', 'Long 77.629402°', and '24/04/24 09:59 AM GMT +05:30'.
