## **Activity Report**

**Title:** Basic Life Support (BLS) Training Session.

**Objectives:** To help students understand the importance of BLS and be confident enough as healthcare professionals to provide BLS in case of medical emergencies.

**Date:** 12/02/2024

**Time:** 10:15am onwards

**Location:** Auditorium, The Oxford Dental College

**Organized by:** The Oxford Dental College

**Audience:** Students and faculty

**Method Adopted:** Lecture with Audio Visual aids

**Materials used:** Power point presentation

### **Description:**

A lecture was organized on the fundamental aspects of Basic Life Support including early recognition of cardiac arrest, checking for a response, activation of the emergency medical system, providing early cardiopulmonary resuscitation, and rapid defibrillation using AED. The programme allowed students to perform CPR on mannequins. It also guided students on managing many other medical emergencies such as acute asthmatic attack, anaphylaxis, syncope, seizures etc. Question and answer sessions was held at the end of the programme. It was a very knowledgeable and enlightening session for all the attendees.

## **Activity Report:**

**Title:** Career opportunities for dentists in the Indian Armed Forces

**Dates:** 2<sup>nd</sup> March 2024

**Venue:** Auditorium, The Oxford Dental College

**Guest Speaker:** - WG CDR Gagan Deep Kochar

**Method Adopted :-** Powerpoint Presentation

**No. of Participants:-** 149

**Organized By:-** Department of Periodontology

## **Introduction**

The "Career opportunities for dentists in the Indian Armed Forces" at The Oxford Dental College, held on March 2<sup>nd</sup>, 2024, aimed to motivate and give insights to the students on Armed Dental Corps. This report highlights how to apply for the Army Dental Corps for graduates and postgraduate students post the completion of the course.

## **Program Overview**

**CHILDREN'S EDUCATION SOCIETY (Regd.)**

**Administrative Office:**

1st Phase, J.P. Nagar, Bangalore-560 078.

E-mail: [deandirectortodc@gmail.com](mailto:deandirectortodc@gmail.com) Website: [www.theoxford.edu](http://www.theoxford.edu)

The Program commenced with an inaugural session and welcome address. Renowned expert WG CDR Gagan Deep Kochar delivered a lecture on the career opportunities for dentists in the Armed Dental Corps and also gave insights into the proceedings to be followed to apply for the same. Participants engaged in interactive sessions, discussions, and feedback collection for program improvement.

The Program concluded with a vote of thanks expressing gratitude to all participants and facilitators. Additionally, feedback was gathered from participants to assess the effectiveness of the program and identify areas for further enhancement.

## **Outcome**

The Program garnered positive feedback, with participants appreciating the relevance of covered topics. Key outcomes include increased awareness of career opportunities for dentists in the Armed Dental Forces, competitive exams and the proceedings to be followed to get selected into the Army, and motivating the students by giving insights into the pros and cons of joining the army.

## **Recommendations**

- Interested students who want to apply for the Army Dental Corps can interact with the speaker to acquire more information about the same.

## **Program Overview**

The Program commenced with an inaugural session and welcome address. Dr Karnav Patel delivered a lecture on the possible opportunities for dentists in start ups, he also elaborately explained his journey of becoming an entrepreneur. Participants engaged in interactive sessions, discussions, and feedback collection for program improvement.

The Program concluded with a vote of thanks expressing gratitude to all participants and facilitators. Additionally, feedback was gathered from participants to assess the effectiveness of the program and identify areas for further enhancement.

## **Outcome**

The Program garnered positive feedback, with participants appreciating the relevance of covered topics. Key outcomes include increased awareness of a possible career opportunity in setting up a start up in health care. Participants had an overall view of the entire process of thinking out of the box to actually executing it. The speaker also gave information on various government fundings provided for such innovative concepts.

## **Recommendations**

**Dates:** 30<sup>th</sup> April 2024

**Venue:** Auditorium, The Oxford Dental College

**Guest Speaker:** - Prof. Pearlson K

**Method Adopted:** - Powerpoint Presentation

**No. of Participants:** - 115

**Organized By:** - Department of Periodontology

### **Introduction**

The “Ergonomics in Dentistry” aimed to make the faculty and students aware of the various problems faced by dentists regarding their physical body pain either due to their improper chair position or due to long working hours in clinics and how to overcome this by themselves.

### **Program Overview**

The Program commenced with an inaugural session and welcome address. Renowned expert Prof. Pearlson K delivered a lecture on the ergonomics in dentistry and also gave insights into the problems faced by dentists in clinics. Participants engaged in interactive sessions like exercises for various physical problems and discussions.

E-mail: [deandirectortodc@gmail.com](mailto:deandirectortodc@gmail.com) Website: [www.theoxford.edu](http://www.theoxford.edu)

The Program concluded with a vote of thanks expressing gratitude to all participants and facilitators.

## **Outcome**

The Program garnered positive feedback, with participants appreciating the relevance of covered topics. Key outcomes include increased awareness of problems they might face due to improper position of the operating dentists and how to avoid or overcome those problems.

## **Recommendations**

- Students who have queries regarding any muscle or joint pain due to physical exhaustion can contact the speaker.

## **Conclusion**

The program provided participants with essential knowledge on applying for physical well-being and good patient outcomes if the ergonomics is followed.
